CAMERON, MILAM COUNTY, TEXAS, THURSDAY, DECEMBER 14, 1950

NUMBER 35

SEA EVACUATION IS SPEEDED UP

COTTON CROP CUT SHORT THIS YEAR

Cotton Production Less Than In 1949

The cotton census report show that 20,140 bales of cotton has been ginned in Milam County from the 1950 crop prior to December 1, it was disclosed by Jack H. Barnes, special agent.

This report shows a decline of 4,969 in the number of bales ginned this time last year and from all indications is due to the summer drouth and restricted acreage as well as insect infestation.

P. W. Davis, manager at the Cameron Compress said early Wednesday morning that around 15,000 bales of new cotton had been received at the local Compress and this figure is much lower than the return this time last season and if cotton restrictions are turned loose next year for the 16,000,000 bales needed by the government, farmers may increase their acreage considerably during 1951, but the majority of the Milam County Farmers are in favor of the cotton acreage restrictions.

Taylor Publisher Fails In Fight To Remain In U. S.

WASHINGTON, Dec. 12—The Supreme court refused to help a German couple, formerly connected with a German-language weekly in Taylor, Texas., in their fight to remain in this country.

The tribunal's 5 to 3 decision leaves Hans Ackermann and his wife, Frieda, subject to deportation.

The Ackermanns started a court fight to void a denaturalization order against them. The government had obtained such an order on grounds that material in their paper, the Texas Herald, indicated they remained loyal to Adolph Hitler. They then were ordered deported.

The court found that the technical arguments made by the Ackermanns were without merit.

Justices Hugo L. Black, Felix Frankfurter and William O. Douglas dissented. Justice Tom C. Clark did not participate.

Keep Your Christmas Merry

Christmas Tree fires injure many children, and destroy many homes. There are two things to remember about your Christmas tree; it is very combustible, being filled with pitch and resin, it ignites easily and burns furiously; care and caution are necessary to keep your tree safe, and your Christmas Merry.

1. Choose a small tree instead of a large one. A small tree can be just as pretty and its less of a hazard.

2. Set up the tree in the coolest part of the house, away from radiators, heaters or fireplaces. Stand it in water, which retards the drying out process.

3. Do not use cotton or paper for decoration of the tree unless the decorations are flameproof.

4. Do not place electric trains around the tree.

5. Remove gift wrappings promptly after gifts have been opened.

6. Provide a switch some distance from the tree for turning tree lights off and on.

7. Don't leave lights burning when no one is in the house. In case of fire at home—Get everybody out of the house at once, call the fire department immediately. (Be sure everyone in your family knows how to call the fire department.)

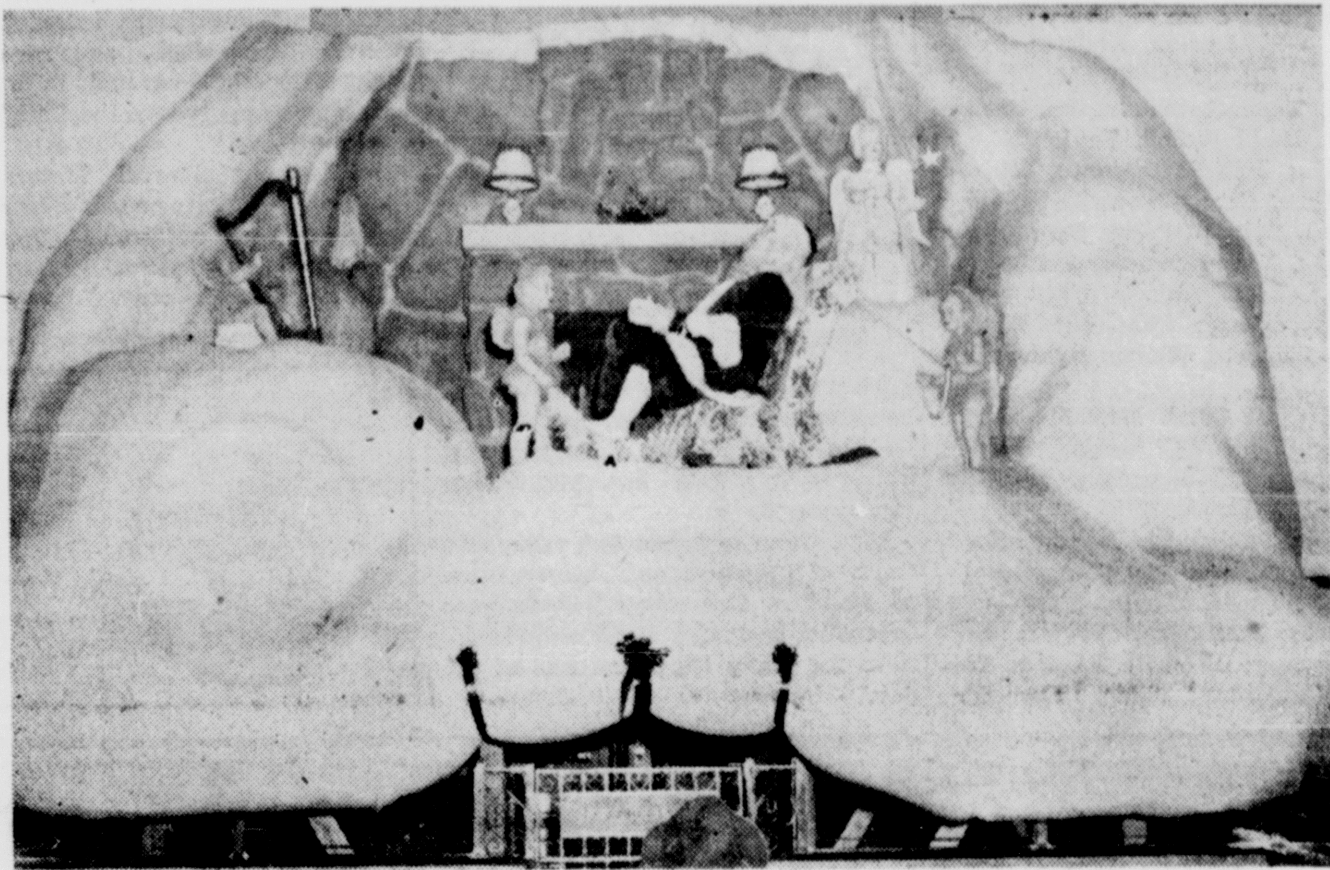

At public gatherings in case of fire walk do not run to the nearest exit, keep calm.

Listen to the Jingle Bells of a Merry Christmas, rather than the Siren of the Fire Truck coming to your home.

CAMERON FIRE DEPT

Mr. and Mrs. B. F. Angell and children visited Mr. and Mrs. Frank Angell and Mr. and Mrs. Dan Thweatt the week end.

ARMY CALLS FOR 160,000 DRAFTEES

AT THE CITIZENS NATIONAL BANK every Christmas there is an unusual scene with "Old Santa" being the central attraction. This Christmas is no exception. Pictured above, the scene shows Santa before the fireplace where he sits in a comfortable chair and with the aid of a cherub who pulls a cord, he rocks to and fro. Another cherub standing at his feet tickles his toes while Santa lazily dreams. On each side is an angel, one playing a harp and the other is singing. Kiddies as well as grown-ups come for miles and miles around each year to view the Bank's Yuletide decorations. Mr. Smith, president of the Bank says the doors will remain open late in the evening in order for the public to see the decorations during the holidays.

Water Company Paying Off Here

The Cameron Water Department continues to pay off good dividends from the monthly report presented to the council Tuesday night by Alderman John Andres.

A total of \$4,124.08 revenue was collected during the month of November by the Department with the following expenses; salaries \$810.07; Maintenance, \$111.82; plant operation, \$252.15; office expense, \$53.24; and automobile expense, 8.62 and others at \$7.77, making a total of \$1,243.77; leaving a net profit of \$2,974.55 for the month.

Mr. Andres also gave a report of the Water Department since the city has taken it over up to the first of December. The company's gross income for the period is \$22,518.94 with the expenses amounting to \$10,428.45, leaving a net profit of \$12,551.37. If the present average of monthly income is maintained, the Company should net around 30,000.00 per year and over a period of ten or fifteen years may be able to pay off the \$425,000.00 in bonds voted in the spring. The council set aside \$25,000 some time ago for the purchase of a new water reservoir for the city. The city has issued \$375,000 of the bonds and has sold \$325,000, with 50,000 that can be issued at any time and \$100,000 that can be sold.

It appears that the city leaders are becoming aware of the progress that can be had in the city and are realizing that Cameron has some potential resources.

Smithwick Leaves County Jail To Begin Life Term

BELTON, Dec. 12—Sam Smithwick was removed to the state penitentiary today by Sheriff Buck Ray and Deputy Harvey Klemann to begin serving a life term for the pistol slaying of Bill Mason, Alice radio commentator.

A verdict of murder with malice was returned by a Bell county jury in the Smithwick case on Jan. 25, 1950.

Smithwick was taken to the penitentiary upon receipt of a mandate from the criminal court of appeals, which had previously turned down the original motion for a new trial and more recently a motion for rehearing.

Smithwick had been in the county jail at Belton since Sept. 13, 1949.

County Campaign To Begin Soon

Milam County has two new polio cases it was reported by Mrs. Agnes Lowe, County Chairman of the March of Dimes Program.

Calvin Eugene Allison of Buckholts and Harvey Klatz of Thorndale are the two new cases. The Allison child is receiving treatment at the Crippled Children Hospital at Waco from Dr. C. G. Shellenburg and the Klatz child is in the Breckenridge Hospital at Austin under the care of Dr. L. J. Coleman. These cases are entirely charity and plans are underway now to begin the March of Dimes Campaign soon. Milam County has fallen short of their goal the past two years in this work. The funds for Milam County are almost exhausted.

Patients who are still receiving treatment from Milam County are as follows; Wayne Hollinson of Rt. 2 Rockdale, Janice Simicek of Cameron, Bill Streicher of Cameron, Refugio Rodriguez of Rockdale, and Linda Raye Bishop of Cameron.

Wonder, Wonder. Wonder Shop Formal Opening Saturday 16

Roy Esslinger, prominent Cameron business man is happy to announce the formal opening of his Wonder, Wonder Shop on Saturday December 16. It is located in the building formerly occupied by the Coleman Furniture Store on Main street.

Johnny Susek and his Radio Ramblers will furnish entertainment and fun which will get underway at 1:30 P. M. and last through the afternoon. The public is cordially invited to attend the show.

Mr. Esslinger has on sale at the Wonder Shop all kinds of toys, novelties, fireworks, many things in the hardware line and a large number of items to select from for Christmas buying. He recently opened his grocery store and bakery and reports good business.

Christmas Seal funds finance tuberculosis control programs conducted by 3,000 voluntary tuberculosis associations.

Junior Show To Be Held December 23

The Junior Livestock Show will be held in Cameron Saturday December 23, it was announced by Sam White, chairman of the livestock committee at the Chamber of Commerce.

Mr. White said that 4H Club boys and girls and F. F. A. Boys will show steers in two classes, the heavy and light classes. Ribbons and prize money will be awarded to all junior winners. Outsiders are invited to enter exhibits in cows, bulls or calves but will not be eligible for prizes.

A similar show was held last January and created county wide attraction. Boys and girls who are placing their entries are looking forward for a better show this year.

The executive committee is composed of Danna Monroe and John Batte. The location for the show has not been determined but the grounds committee composed of Marvin Ethridge, Wallace Culpepper and James Brock said that a site will be announced within a few days. The finance committee is composed of Jess Brock and Make McDermott. Charles Brady Sr. will assist in the publicity of the show and will be on hand to get a number of pictures of the winners.

Judging will take place at 2 p. m. and it was understood here that out-of-town judges will be on hand to make final decisions for the awards. The following girls and boys have already entered the contest: Gene, Ferol and Faye Angell, Ann Brock, Dave Eubanks, Ordal Polgal, Monroe Fuchs and Jim Matyastick. Mr. White said there would be several more entries in the show.

Dr. Shapiro Attends Postgraduate Course

Dr. David Shapiro, member of the Newton Clinic staff, has enrolled in the University of Texas Post graduate School of Medicine in an advanced course in Electrocardiographic Interpretation.

Dr. Shapiro will study the most modern developments in the detection and diagnosis of heart conditions. The course is being conducted in the Texas Medical Center in Houston and is scheduled for the evening hours each Thursday in order to enable practicing physicians to attend without undue loss of time.

Dr. Shapiro will be in attendance at the course each Thursday from December 7, 1950 until March 22, 1951.

Reds In New Drive On UN Force's Flank

Sea evacuation of battered United Nations forces from North-east Korea was under way today and was being carried out in an orderly fashion. Actual movement of ships had begun and loading was continuing.

The evacuation long had been expected, but it has been considered a top security issue and officials refused to comment on the possibility until early Wednesday when it was announced officially that evacuation had actually begun.

All fighting forces of the U. S. 10th Corps in northeast Korea have eluded Chinese Communist traps and pulled back to the coastal area.

The report was made as a quarter-million or more Chinese Communist troops shifted the major bulk of their forces toward central Korea, probably for another great flanking drive against the U. N. Troops in the west. Large numbers of the Chinese Communist were dressed in American uniforms, presumably taken from American soldiers. Every U. N. fighting man in northeast Korea is now jammed into the snow-splashed coastal flatlands.

Guns of United Nations warships are in position to cover vast areas of those flatlands.

National Event Held In Dallas

A group of Milam County Farmers left Cameron Monday morning for Dallas to attend the National Farm Bureau Convention at the Baker Hotel.

A number left Saturday but the main events got underway Tuesday and farmers throughout the county who are attending, will benefit greatly by being present at this national event. This year is the first time the convention has ever been held in Texas and on time stage coach "hold up" will take place when the train carrying national representatives from the Capital arrive on the outskirts of Dallas.

This is the 32nd Annual Convention of the American Farm Bureau Federation and will continue through Thursday December 14. What the nation's farmers will ask of the next congress may be presented in the next few days. The bureau has trebled its membership in the last decade and is by far the nation's biggest farm organization.

The main things the farmers will ask for is a continuance of farm support prices, better farm to market roads, rural telephone program, crop insurance and the school lunch program. Farmers are learning to organize as the labor unions and the armed service rules on promotions and retirement.

Neal Dodson Begins Duties December 15

At the meeting of the City Council Tuesday night, Alderman John C. Andres presented a letter for discussion among the councilmen in regard to the recent appointment of Neal Dodson as city electrician.

The letter was from the Waco Electrical Board of Examiners stating that Mr. Dodson had passed a test of examination qualifying him for that place. Roy Baskin, City Secretary, read the electrical ordinance and a number of amendments were read concerning the ordinance. On motion of Alderman Bob Terry and seconded by Milton Schiller the ordinance was voted on and passed unanimously.

The council voted to notify Mr. Dodson that he would begin duties as city electrician on December 15, with a salary of \$100.00 a month for his services. All fees will be paid to the city secretary and Mr. Dodson will be issued a check each month of the specified amount.

Mr. Andres also presented a number of bills for expenses in connection with the hanging of the street decorations Sunday by the Jaycees. By vote of the council the city agreed to buy necessary wiring equipment to (Turn to page 8, Section 1)

Army Raises Two Months Draft Quota

WASHINGTON, Dec. 12—The Army called Tuesday for a total of 160,000 draftees in January and February, nearly doubling the quotas it had announced previously for that period.

It acted in line with President Truman's decision that the United States must raise its military manpower sights beyond the goal set before the recent reverses in Korea—2,800,000 men by next June 30.

January's quota was raised from 40,000 to 80,000 and that for February from 50,000 to 80,000. The Navy and Air Force continued to rely on volunteers.

Selective Service headquarters said the Army's increased calls would require the states to dip at a faster pace into the pool of men now subject to the draft. This pool is composed of those aged nineteen to twenty-five, exclusive.

A Selective Service spokesman said he believed the new quotas could be filled without changing the draft law or the existing regulations issued by the President, like the one which exempts a man who has dependents.

A move to marshal support in the next Congress for a system of universal military service was started during the day by twenty-five scientists and other public figures.

Under their proposal, every man except the totally unfit would be called up for two years' service on reaching eighteen or on graduation from high school. Sponsors said the plan would protect the nation against the day when Russia no longer fears the atomic bomb.

Patrick T. Driscoll Rites Held Monday

Funeral services for Patrick T. Driscoll were held at the St. Michaels Catholic Church in Burlington at 9:30 A. M. Monday December 11 where Requiem High mass was said by Mgr. J. J. Kearns of Waco, Rev. T. O. Sullivan, Houston, Rev. M. O'Regan, Burlington, Rev. A. J. Nicholson, Richmond, Rev. Ben Holub, Marak and Hiram Eastland of Hearne.

Burial was made in the St. Michaels Cemetery with Marek Burns directing the arrangements.

Mr. Driscoll died Saturday December 9, at the age of 87, in a local hospital after an illness of several months. He was a large landowner and a prominent leader in his community. He was also known as an outstanding farmer in that section of the county and had been very successful in his life-long occupation.

Mr. Driscoll came to America as a young man and had lived in Milam County for the past 60 years and resided the major portion of his life in the Burlington Community. His wife preceded him in death a number of years ago. He was born May 6, 1863 in Ireland.

Survivors are three sons, D. D. Driscoll of Burlington, T. L. Driscoll of Kansas City, and Patrick Driscoll Jr., of Chicago; three daughters, Mrs. Marshall Boyd of Calvert, Miss Margaret Driscoll of New Orleans and Sister Mary Irene of Fort Worth; two sisters, Mrs. Annie Shanahan of Houston and Mrs. Marie Collins of Ireland. Nine grandchildren also survive.

Pallbearers were: Paul Dillon, Bart Cahill, Ben Fox, Lee O'Neill, Paul Olbrich, John Meeks, Tim Gleason and Bartle Crenan.

Honorary pallbearers were Oxsheer Smith, Cameron, Vernon Nicholson, Rosebud, J. R. Kilgore, Rosebud; Dr. Marvin Bartlett, Cameron; Dr. Leland Denson, Cameron; M. G. Cox Cameron, John Tarver, Jr., Rosebud, and Simm Souther and Joseph Smilie both of Rosebud.

William Daniel, USN Completes Recruit Training With Navy

William Daniel, Seaman Recruit, USN, son of Mr. and Mrs. Jack Daniel of Route 1, Buckholts, recently completed recruit training at the Naval Training Center, San Diego, California, and is now available for assignment to a Fleet Unit or to one of the Navy's Schools for specialized training.

During this period of training, he underwent intensive drill in such subjects as signaling, navigation, basic ordnance and seamanship. He also was indoctrinated into ways of the Navy and learned the customs of the service.

Mr. and Mrs. Frances J. Ronshausen of Port Arthur spent the holidays with her father, Wm. R. Rogers.

Georgetown Eagles District Winners

By HERB GORMLEY
Sports Editor, The Killen Reporter

Georgetown's powerful Eagles, district winners, dominated the selections of the District 21-A Coaches in their nominations for the 1950 All-District eleven, compiled by the Killen Reporter.

The Eagles placed four men on the mythical eleven including Dean Shaver, backfield powerhorse, Bailey Marshall, elusive running and pass-snagging back, Bill Green, center, and Sam Stone, moved from his tackle position to a guard slot by a majority of votes of the latter position.

Kenneth Pennington at end, John Rice, tackle, and Norman Pecht, guard, were named to the second eleven.

Taylor's second-place Ducks placed three men on the first team, rounding out the backfield with Dickie Moegle and A. C. Taley named to ball handling posts, while Clyde Clemmer Duck tackle, was the only unanimous choice on the team. Donald Rydell,

end, was named to the runner-up eleven.

Cameron dominated the end voting with Bobby Stanislaw and Frank Malone being named at the wing positions, both from the Yoeman eleven with Malone being chosen for the second year. Eddie Lankford and Glen Rosenberg were selected as second team backfield members from Cameron.

Killeen's Romaine Stubblefield, hard hitting tackle and general utility man, and Harold Oswalt, big, rough guard, were named to first team posts at those positions, while Hal Satterwhite, guard, and Wallace "Gus" Wilson, Roo backfield ace, were selected at second team slots.

Belton's Weldon Symes, backfield, and Victor Means at center were accorded second team places in the voting.

End; Bobby Stanislaw, Cameron; Frank Malone, Cameron.

Tackle; Romaine Stubblefield, Killeen; Clyde Clemmer, Taylor; Unanimous second team choice.

Guard, Harold Oswalt, Killeen; Sam Stone, Georgetown;

Center, Bill Green, Georgetown.

Back; A. C. Taley, Taylor; Bailey Marshall, Georgetown; Dickie Moegle, Taylor; Dean Shaver, Georgetown.

SECOND TEAM

End; Kenneth Pennington, Georgetown, Donald Rydell, Taylor.

Tackle; Hal Satterwhite, Killeen; John Rice, Georgetown.

Guard, Norman Pecht, Georgetown. Center, Victor Means, Belton.

Back; Eddie Lankford, Cameron; Glen Rosenberg, Cameron; Wallace Wilson, Killeen; Weldon Symes, Belton.

HONORABLE MENTION

Ends; Johns, Cameron; Walden, Georgetown; Linderman, Rosebud; Navasod, Taylor.

Tackles; Schmidt, Taylor; Goodwin, Georgetown; Hoffman, Georgetown; Kuehmer, Taylor.

Guards; Stallmach, Taylor; Sessoms, Belton; Mitchell, Killeen; Torney, Cameron; Allen, Cameron;

Springer, Rosebud; Holland, Belton; Sheehan, Cameron.

Centers; Norman, Killeen; Ermes, Cameron; Smith, Rosebud; Mendowsky, Taylor.

Backs; Orn, Georgetown; Boren, Belton; Adams, Killeen; Zipperlan, Rosebud.

Christmas Parcels Should Be Wrapped To Prevent Breakage

All Christmas parcels for distant states should be in the mail in the next day or two John R. Hays, local postmaster said.

Packages for near by points should be posted by December 9 to ensure delivery before Christmas. December 15 is the suggested date for out-of-state Christmas cards and a week before Christmas for last minute local greetings.

The postmaster advises that post office windows are most crowded at lunch time and late in the afternoon. All packages should be wrapped stoutly using stiff corrugated fiberboard, strong outer paper and heavy twine. Fragile items must be individually cushioned in a strong box to prevent breakage.

A package isn't properly wrapped to withstand the Christmas rush unless it can be tumbled down a chute, tossed some distance into a mail sack and then have other loaded mail sacks piled on top of it. So wrap them carefully to prevent damage.

OBSERVES 94th BIRTHDAY

Mrs. Georgia Gunn who makes her home with her daughter, Mrs. Mayme Dobbins, at 205 North College quietly observed her 94th birthday Friday December 8.

Mrs. Gunn also has two sons, Dan Gunn of Cameron and Homer Gunn of McAllen. Her many friends were extending best wishes and congratulations for many happy returns of the day.

Total Curbs Waiting To Be Organized

WASHINGTON, Influential White House officials said that eventual price and wage controls are inevitable.

The date, they said, depends primarily on the time required to set up the necessary administrative machinery.

The men, who are in daily contact with President Truman but who cannot be named, said there is no question that drastic steps will have to be taken to meet the new crisis arising out of the Chinese Communist invasion of Korea and its threat of a possible third world war.

White House officials said they did not expect action quickly because of the immensity of the problem of enforcement.

"It will take a small army of men to enforce price controls," one of them said. "It is a step that no one likes to take."

Meantime, the government took another move to hold down prices: The Economic Stabilization Administration asked General Motors and Ford to suspend auto price increases announced this week, and requested eight other motor car makers to withhold any price boosts they might be contemplating.

In Detroit, General Motors and Ford said the government's hold-the-line request had not yet been received. Both declined comment.

Whatever wage controls may ultimately be agreed upon will be in the nature of wage "stabilization," informants said. They did not define the term.

Virtually all White House officials agreed that the administration has ample authority to act in both price and wage stabilization fields, under legislation passed this year.

An emergency proclamation, they said, would largely be for the purpose of acquainting the public with the urgency of the situation.

All-out economic mobilization could include such steps as wage price ceilings, deep cuts in consumer goods production, to channel men and materials into defense output, allocations of materials, etc.

Olin McLerran and Edsell Burnett of Hoyte were in Cameron Saturday on business.

Now is the time for all good men to come to the aid of their pocketbooks

There's been a lot of talk in recent weeks about "the buying power of the dollar"—past, present and future.

We can't foretell the future—but we can tell you this right now:

You'll look a long way before you'll find a car that offers as much for the money as you can get in a 1950 Buick.

Close to half a million of these cars have been built and sold this year.

Close to half a million people have checked their features and prices against the field—and decided they'd better buy Buick.

As to prices—they start down below some sixes. And whether you price the SPECIAL, the SUPER or the ROADMASTER, you'll find, on a cents-per-

pound basis, that few other cars can touch them for value.

And this is for sure! When it comes to performance—ride—the way they handle and hold the road—and thrifty use of fuel and oil—Buicks have never been finer.

That's another way of saying that coil springs on all four wheels—Dynaflow—torque-tube drive—and Buick's high-compression, high-economy Fireball power produce an out-of-this-world combination.

So if you want your dollars to do extra duty—the time to act is now.

Look at the price tags—look at the features—sample the power and thrill that you get for your money—and you'll know what we mean.

*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ONLY BUICK HAS Dynaflow— AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN styling, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

YOUR KEY TO GREATER VALUE

Freeze Ravages Vegetable Crop

Freezing weather destroyed the tender vegetable crop in Texas' Lower Rio Grande Valley Thursday. Fruit trees escaped serious damage.

Warmer weather is predicted for all of Texas, marking the end of a record-setting cold spell blamed for two deaths, crop damage in the winter garden and the loss of a thousand head of cattle in the Panhandle.

Texas did not even get the precipitation it needs and which often accompanies a norther. Drouth still grips cattle ranges, the loose-sailed wheat lands and the South Texas flax fields.

It is difficult to estimate the dollars and cents loss from Thursday's freeze. Many of the valley's 40,000 vegetable acres had been harvested.

But the vegetables remaining—was estimated about half had been harvested—were wiped out as temperatures tumbled as low as 24. High winds accompanied the cold blew sand, adding to the damage.

Hardest valley crops were tomatoes, peppers, potatoes, eggplant and string and snapp beans. Hardier crops such as broccoli, young cabbage and turnips held up better and some may recover.

Travis County Man Tried Here Monday For Drunk Driving

The last of the five second offense drunk driving indictments returned last August was tried in District Court here Saturday morning, December 9.

Joe Pena of Travis County tried before Judge Bill Morrisson and was found guilty. He was assessed a term of five years in the State penitentiary. The court suspended the sentence during good behavior.

The defendant was represented by Paul Holt, attorney of Austin.

Cameron Youths Will Sing In Christmas Season Program

John David Moseley, and Richard Jones, Cameron, will sing in Christmas season programs at Southwest Texas State Teachers College Dec. 17, 18, and 19.

Sunday at 8:30 p. m. in Evans Auditorium the A Cappella choir and the girls ensemble will present Handel's "Messiah" and other popular Christmas music. Visitors are invited to attend this program. Monday, Tuesday and Wednesday members of the two music organizations will participate in Christmas caroling on the campus.

Mr. and Mrs. C. L. Canady visited Dr. and Mrs. W. B. Thorning in Houston during the Thanksgiving holidays. They attended the Little Theatre while there and saw the 'Heiress.'

Johnny Houston visited in Cameron Monday afternoon.

One Third Reach Escape Port Sunday

TOKYO, Dec. 11— Twenty-five thousand casualty-riddled American Marines and soldiers broke out of Chinese Communist death snare in the "frozen hell" of Northeast Korea Sunday.

By Sunday night about one third had reached the vicinity of the eastern escape port of Hungnam, a field dispatch reported.

Tenth Corps headquarters said only that forward elements were in the Hamhung area, six miles in from the sea, but would not pinpoint their locations.

The whole force should reach the coast and safety some time late Monday, field dispatches said. It will complete the greatest, bloodiest retreat in Marine Corps history—almost fifty tortuous miles.

Casualties were heavy for both sides. An estimated three Chinese Red divisions— 188,000 to 24,000 men—were destroyed in the battering-ram American drive to freedom from the shores of the Changjin Reservoir.

Only a conservative figure of more than 4,000 wounded was available for

the Americans, with deaths unreported.

An on-the-spot estimate was that Marine casualties exceeded those at Tarawa, the costliest single Marine action of World War II. At Tarawa the Marines lost 985 dead and 2,183 wounded.

The out-numbered United States 1st Marine Division, a hundred British Royal Marines and elements of the United States 7th Division, however, was decimated in twelve days and nights of running battle with an estimated 85,000 to 120,000 Reds.

Still menaced was another American force of 6,000 to 8,000 members of the United States 17th Regimental combat team. For security reasons, headquarters did not report the movement of this only American outfit to reach the Manchurian border at Hyesanjin. Its retreat route stretched more than 100 miles through enemy dominated territory.

Also unreported were two South Korean divisions—the Capital and Third— somewhere north of Hamhung.

Mr. and Mrs. A. O. Jackson and daughter, Linda of Bryan spent the week end with her mother, Mrs. Oscar Pattillo and family in Cameron.

The Cameron Herald

December 14, 1950

Mrs. Arledge Injured In Car Mishap Saturday

Mrs. Coy Arledge of Cameron was injured in Austin early Saturday morning when an automobile collided with her car. She suffered several broken ribs and was taken to a hospital in Austin and was returned to her home here Sunday.

Mrs. Arledge is superintendent of the Buckholts school and attends the University in Austin on Saturdays.

Mrs. Arledge was feeling much better Monday and was able to resume her duties at the school.

Grady Allen, Gene Blake, S. E. Brogdon, W. F. North and L. W. Smith, members of the local Masonic Grand Lodge attended the Masonic Grand Lodge in Waco Tuesday night.

Jack Thompson was in Cameron on business early Saturday morning.

Friends will be glad to know that Mrs. Jane Smith is recovering from her recent injury and is resting at home of Mr. and Mrs. Marvin Pratt.

Red Cross Sends \$400,000 to Korea

The American Red Cross had granted \$400,000 for civilian relief in Korea and is sending two medical teams to that nation as part of the eight teams being provided through the League of Red Cross Societies at the request of the United Nations. Ulys G. Knight, chapter manager, said. Each of the teams will be comprised of a public health doctor; a sanitary engineer, and a public welfare officer.

Junior Red Cross is providing \$150,000 to be used in buying clothing for destitute Korean children. First shipments are to begin next month. Another \$150,000 was contributed by senior Red Cross is being used to buy textiles which Americans and Japanese Red Cross volunteers in Japan are making into garments. The other \$100,000 grant was made in November. There are 79 Red Cross workers and 385 Red Cross workers in the Far Eastern Theatre of Operations. Red Cross overseas staff in all theatres totals 671.

Yoemen Cagers To Caldwell Tonight

The Cameron Yoemen Basketball Team will journey to Caldwell tonight to encounter the Hornets quintet in the second game of the season with the Caldwell Team, it was announced by Coach Dick Young.

Coach Young says that everything looks favorable for his team but they could expect most anything from the Hornet team as they are doped to have a good ball club.

The Cameron A Team defeated the Hearne team Tuesday night before a good crowd by a score of 40-32. Glenn Rosenberg, Eldon Batte and Frank Malone were the guns for the Yoemen while Eddie Lankford and Bobby Biskup played good defensive basketball.

Douglas Obermiller and Earl Johnson, two tall boys on the team, are battling it out for Center position and are showing steady improvement in each game as the season progresses.

The B Squad also defeated the Hearne B Team prior to the A team game Tuesday night by a score of 33-14.

Coach Young said his B team was undefeated having won five straight games. Ray Thompson, Alton Logan, Bobby Biskup furnished most of the offensive fireworks with Nathan Ofield coming in for his share of honors.

A large crowd will no doubt make the trip with the team and witness two fast ball clubs and a spirited game.

CORNER 7th & TRAVIS

TELEPHONE 131

YES, even that busy little fellow in the ermine-trimmed suit will take time out for a delicious electrically cooked meal! He knows... as housewives the country over know... a modern electric range is the difference between really good cooking and ordinary cooking!

The accurate temperature control of an electric range cuts on and off automatically... maintains uniform heat as low as 150° for foods that need to be cooked slowly, thoroughly. That's why you get wonderful cookbook results so easily, every time! What's more, electric cooking is clean, cool, safe... and economical.

The fortunate woman who finds a new electric range in her kitchen Christmas morn will be happy with electric cooking at least three times every 365 days!

TEXAS POWER & LIGHT COMPANY

Pfc. Frank Meek Jr. Missing Nov. 26

Mr. and Mrs. Frank Meek, Sr., of Route 1, Cameron have been notified that their son, PFC. Frank Meek, Jr. has been missing in action since November 26.

The following telegram was received by Mr. and Mrs. Meek early Friday morning.

The Secretary of Army has asked me to express his deep regret that your son, PFC Frank Meek Jr. has been missing in Korea since November 26. Upon receipt of further information in this office you will be notified immediately.

Edward F. Witsell, Major General, USA.

The Adjutant General of The Army.

PFC Meek re-enlisted in the Army about 11 months ago and was a veteran of World War II serving almost 18 months overseas. He was well known in Cameron and Milam County, and was engaged in farming near Buckholts before re-enlisting.

Circles At The First Presbyterian Church Plan Program

Circles at the First Presbyterian Church met at the homes of Mrs. Dan Tyson and Mrs. B. F. Robinson Monday afternoon December 11.

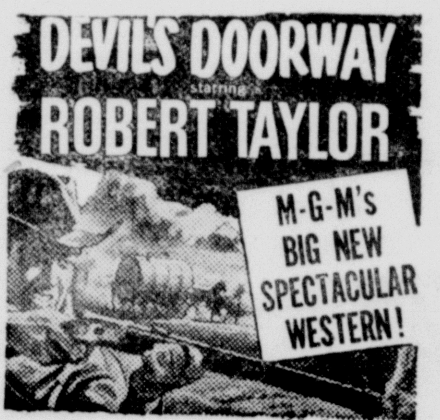

Mrs. Carl Black gave the devotional and Christmas Story for Circle I and Mrs. August Knipp gave the story and devotional for Circle II.

Plans were made for the Annual Joy Gift Program which will be held at the Church Sunday night December 17, at 7:30. Each one brought a gift for the Tex-Mex and Pres-Mex to be placed in the Christmas trees when they have their annual Christmas tree.

Mrs. Lyle McDermott is in charge of the Joy Gift Program this year.

Milam County Workers Conference Held Here Friday

The Milam County Baptist Workers Conference was held Friday December 8 at the First Baptist Church in Cameron from 5 to 8 P. M.

The W. M. U. program was held from 5 until 6 with Miss Marjorie Denson reading "little Angel."

Supper was served at 6 in the Educational Building and the tables were decorated with fruit and red berries. The menu consisted of chicken and spaghetti, lettuce salad, hot chocolate, coffee and pecan pie.

The evening session was attended by more than three hundred and Rev. Forrest Hawkins, pastor at the San Gabriel Baptist Church brought the devotional. Rev. Asa Hunt, pastor at the Burlington Baptist Church, brought the devotional. Rev. Asa Hunt, pastor at the Burlington Baptist Church, gave the sermon. The Burlington Church was awarded the Attendance banner.

New pastor of the Association that were recognized are as follows: Rev. Bob Walker of Battetown Baptist Church, Rev. Asa Hunt and Rev. Forrest Hawkins.

Milam County Men Enlist For Service

M-Sgt. Albert H. Cobb of the Temple U. S. Army and U. S. Air Force Recruiting Station announced today that Albert J. Kostiha enlisted in the United States Army and Harry E. Challott enlisted in the United States Air Force. Kostiha enlisted in the grade of Recruit for a period of three years and Challott enlisted in the grade of Private for a period of four years.

Kostiha is the son of Mr. and Mrs. Joe Kostiha of Route No. 2 Buckholts, Texas. He has four years previous service in the U. S. Army. He spent four years previous service in the U. S. Army. He spent 37 months in the European Theatre of Operations during World War II.

Challott is the son of Mr. and Mrs. Edo Challott of Route No. 3, Rosebud, Texas. He was recently employed by the Clarkson Gin in Rosebud.

After completing enlistment processing at the Waco, U. S. Army and U. S. Air Force Recruiting Main Station, the Air Force enlistee was sent to Lackland Air Force Base, San Antonio, Texas and the Army enlistee was sent to Fort Sam Houston, Texas. They will receive basic training and assignment.

Entries Needed For Contest To Continue

The committee in charge of the Home Decorating Contest reports that entries are slow about coming in and all home owners planning to enter the contest to make their entry at once, since December 15 is the deadline.

Judges from Marlin have already been contacted and any type of Christmas decorations about your home and yard that are visible at night will stand a chance of winning a prize.

The decorations last year for the Yuletide season were enjoyed by the local citizens as well as people from surrounding cities and communities who came to view the unique decorations here. It was hoped that considerable interest would be created this year.

If there are any who have not placed their entries you are urged to contact Miss Mildred Thornton at once.

Phone 477 or 374 and Miss Thornton will be glad to place your entry. Several entries are needed in order to continue with the contest and those who would like to see the town this year in gay decorations should enter at once, or the contest may not be held.

Members of the Chamber of Commerce, the Jaycees and the Business and Professional Women's Club and their committees are promoting the contest.

Sunday guests in the home of Mr. and Mrs. Goodhue Rogers were Mr. and Mrs. Norris Rogers and daughter, LaNell, Mr. and Mrs. Otis McDonald and daughter, Kay and Mrs. Alice Pugh of Cameron, Mr. and Mrs. J. L. Flemings of Alice, Mr. and Mrs. Jerry Nabours of Rockdale and Miss Jerusha Rogers of Salem.

Mr. and Mrs. John Michna spent the past week end with relatives and friends in Shiner.

Mr. and Mrs. J. D. Woolverton and children, Roy, Doris and June of Milano visited Mrs. R. W. Wilson the week end.

Capitalists

Glossary of Terms

LONDON, Eng.—The Communist newspaper London Daily Worker has printed a glossary of familiar terms in what it called "the new double talk."

It says the capitalist press uses the following terms:

Aggressor — Anybody who is prepared to resist foreign occupation.

Appeaser—A man who would rather trade with a socialist country than drop atom bombs on it.

Fellow Traveler—Man who does not think every Communist ought to be shot.

Free Nations— Satellites of the United States.

Patriot—Man who thinks every Communist ought to be shot.

Invader—People who successfully resist colonial occupation.

Red—Anyone who is not impressed by the American way of life.

Russian Menace—Soviet offer of trade and peace.

Satellite—Country independent of America.

Former Cameron Man Elected To National Health Association

E. G. Eggert, former Cameron man, who is regional sanitary engineer for the State Health Department of Georgia, has been elected as vice-chairman of the engineering section of the American Public Health Association, at a recent meeting of the APHA held in St. Louis Mo.

Mr. Eggert is one of two Macon, Georgia men who hold responsible positions with the National Association. He is the son of the late Mr. and Mrs. E. E. Eggert and was better known in Cameron as Gus and has been associated with the sanitary department of the city of Macon for several years. Friends here are extending their congratulations to Mr. Eggert upon his election to this important National position.

DRUNK DRIVING

Marvin Smith of El Campo was picked up Thursday and paid a fine of \$100.00 in County Court here for driving his automobile while drunk.

Texans Prefer the "New Taste" in Beer

PALE DRY IS THE REASON WHY!

What does "Pale Dry" mean?

Pale Dry is the name for a new and
specific kind of beer—pale gold in color,
and sharply dry in flavor, as opposed to
old-style, sweeter, darker beers heavy
with malt and fattening solids.

Pale Dry GRAND PRIZE
is the "new taste" in beer
and, ever since we first
introduced it in Texas,
we've received nothing but
praise for a fine, truly
different beer!

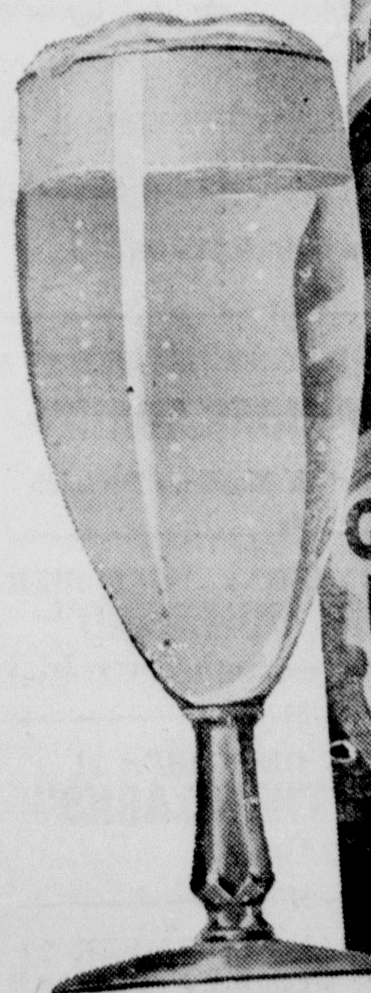

That's because Pale Dry is
actually a new type of
beer, different from
any beer sold in Texas.

How is it brewed?

The GRAND PRIZE master brewer uses
only the very best hops, the finest malt,
top-grade Texas rice, the purest strains
of yeast culture and 100% pure deep-rock
artesian water in brewing GRAND PRIZE.
It takes such quality ingredients to pro-
duce a truly pale dry beer. Every barrel
of Pale Dry GRAND PRIZE is given abun-
dant time to age—thus insuring its fine,
bright taste.

**We
believe...**

that if you once try Pale Dry GRAND
PRIZE you will join the ranks of the
hundreds of thousands of Texans who
prefer it to any other beer!

Foods Distributed To Texas School Lunchrooms

Processed agricultural commodities are moving into this area to swell the supply of foods being used in community school lunchrooms and institution, reports Mr. Charles M. Hicks, County Supt., Milam County School Board.

Already received are the following: canned cherries, 890 (24-2) cases; cranberry sauce, 1025 (24-300) cases; orange juice, 275 (12-3) cases; peanut butter, 349 (6-10) cases; canned tomatoes, 1545 (24-2½) cases; turkeys, 300 boxes, Irish Potatoes, 1080 bags (100 lbs.); Cheese, 13575 lbs., and Creamery butter, 15,050 lbs.

An order has been placed for 292 (100 lb.) bags of dried beans.

Turkeys, cranberry sauce, cherries and sweet potatoes were purchased by the U. S. Department of Agriculture's Production and Marketing Administration to support prices to farmers. All except turkeys are being distributed to schools and institutions. They go only to lunchrooms.

Beans, peanut butter and tomatoes were purchased by USDA to increase wholesomeness of school lunches and are going only to schools taking part in the National School Lunch Program.

Mrs. Sue Welburn and Mrs. Louies Franta of Liberty spent several days visiting in the home of their parents Mr. and Mrs. Melvin Weems.

Milano Homemaking Chapter Serve Lunch At Tournament

The Milano Homemaking Chapter served at the F. F. A. Basketball Tournament Saturday December 2.

A lunch consisting of chili, cake, candy and coffee and cocoa was served in the lunchroom. The club has planned to send gifts to some charity organization for Christmas instead of exchanging gifts among each other.

Girls assisting in the serving of lunch are as follows: Iona Owens, Bennie Pinkerton, Juanita Beavers, Joyce Woodum, Betty Morgan, Geneva Hurt, Jo Ann Kirk, Anga Perrington, Myrtle Beavers, Margaret Gaston, Sue Ann Mills and Barbara Ann German. Everyone had a nice time.

ANNOUNCING

Little Miss Mary Catherine came to make her home with Mr. and Mrs. Charles Knipp on Tuesday November 28 at the St. Edward Hospital. She weighed 7 pounds and 2 ounces.

Mary Catherine has one sister, Carolyn Sue, ten years old. The mother and baby are doing fine.

Mr. and Mrs. George Rankin returned to their home last week after completing a deer hunt at Dass, Texas, near Fredericksburg. The Rankin's brought home a four point deer.

Americans Urged To Buy Xmas Seals

Asserting that progress already made in tuberculosis control is "proof that further progress can be made and will be made with the continued cooperative effort of the American people" President Truman has expressed the hope that Americans will be generous this holiday season in their purchase of Christmas Seals, which support the work of the National Tuberculosis Association and its affiliated state and county associations.

The following is the full text of the President's statement regarding the 1950 Christmas Seal Sale now being conducted throughout the nation:

Tuberculosis has taken the lives of more than 5,000,000 Americans in the past 50 years.

Tragic as this figure is, it would have been worse if the American people had not banded together to fight tuberculosis. They formed the National Tuberculosis Association in 1904 and launched a nationwide campaign against this disease. Since then, the TB death rate has been cut 85 per cent. Yet I am informed that tuberculosis today leads all diseases as a cause of death in the age group from 15 to 35.

The progress already made is proof that further progress can be made and will be made, with the continued cooperative effort of the American people. One way of showing we are behind the anti-tuberculosis campaign is to use Christmas Seals, sold annually to support the work of the NTA and the 3,000 state and local voluntary associations now affiliated with it.

Navy Enlistment Requirements Lowered

It was officially announced today that the United States Navy has lowered its requirements for enlistment. Men who formerly applied for enlistment and who failed to pass the mental examination, and who are still interested in enlisting in the navy may now qualify as these requirements have been lowered.

Also, men who formerly applied for enlistment in the lower two pay grades, and were rejected for dependency reasons are advised that they may now enlist in these pay grades providing that they have only one dependent.

Mrs. Lorene Boock of Temple visited her mother, Mrs. Gussie Matula and brother, Ted Matula here the past week end. She also visited in the home of a cousin, Mr. and Mrs. Speedy Braden of Cameron. Mrs. Boock's husband who is in the service is stationed overseas.

Red Cross Drive Campaign Slated

A goal of \$85,000,000 for the 1951 American Red Cross Campaign has been announced by General George C. Marshall, Red Cross President. This figure was set by the organization's Board of Governors to meet the enormous tasks assumed by the Red Cross in the present emergency, General Marshall stated.

The campaign will be held March 1-31 with Brigadier General David Sarnoff, chairman of the Board of the Radio Corporation of America, as National Fund Chairman. The nation's mounting military strength is creating sharply increased demands on Red Cross, general Marshall pointed out. In addition, civil defense commitments require the organization to train 20,000,000 persons in First Aid; instruct hundreds of thousands in Home Nursing as Nurse's Aides; recruit millions of blood donors; and prepare for mass feeding, clothing

and shelter in case of major disaster or national emergency.

The estimated cost of the Red Cross program for the fiscal 1951-52 year actually totals \$94,800,000, General Marshall said, the difference between the estimated cost and the fund goal will be met by the application of reserve funds and these will exhaust soon in contributions to take care of the estimated goal are not reached.

The Milam County Red Cross Drive will get underway the early part of March and committees and representatives from the different communities will be appointed it was announced by Valter White, Milam County Director of Red Cross activities.

Mrs. L. G. Smith has been ap-

The Cameron Herald

December 14, 1950

pointed county publicity chairman and a county chairman will be appointed within the near future Mr. White said.

Each year the people of Milam County give generously to this worthy cause and it is hoped this year they will go over their quota.

Mr. and Mrs. Harry Sommers and daughter, Bertha Louise of Yarrellton and Mr. and Mrs. N. W. Sommers and sons, Maurice and Darrell of St. Monton spent the Thanksgiving holidays touring in the lower Rio Grande Valley and Mexico. They also visited friends and relatives in Kenedy, Yorktown and Shiner.

From where I sit ... by Joe Marsh

Here's An "Expert" Example!

When our Main Street parking problem cropped up again, we announced a strict one-hour parking policy, and swore in extra deputies to enforce it.

We also sent over to the State Capitol for a traffic expert, to give us pointers. He turned out to be real helpful—spent a whole afternoon with us talking about zoning and such. And when he left the building he found a ticket on his car for overtime parking!

Could have gotten sore, I guess—or asked us to "fix" the ticket. But instead, he insisted on going

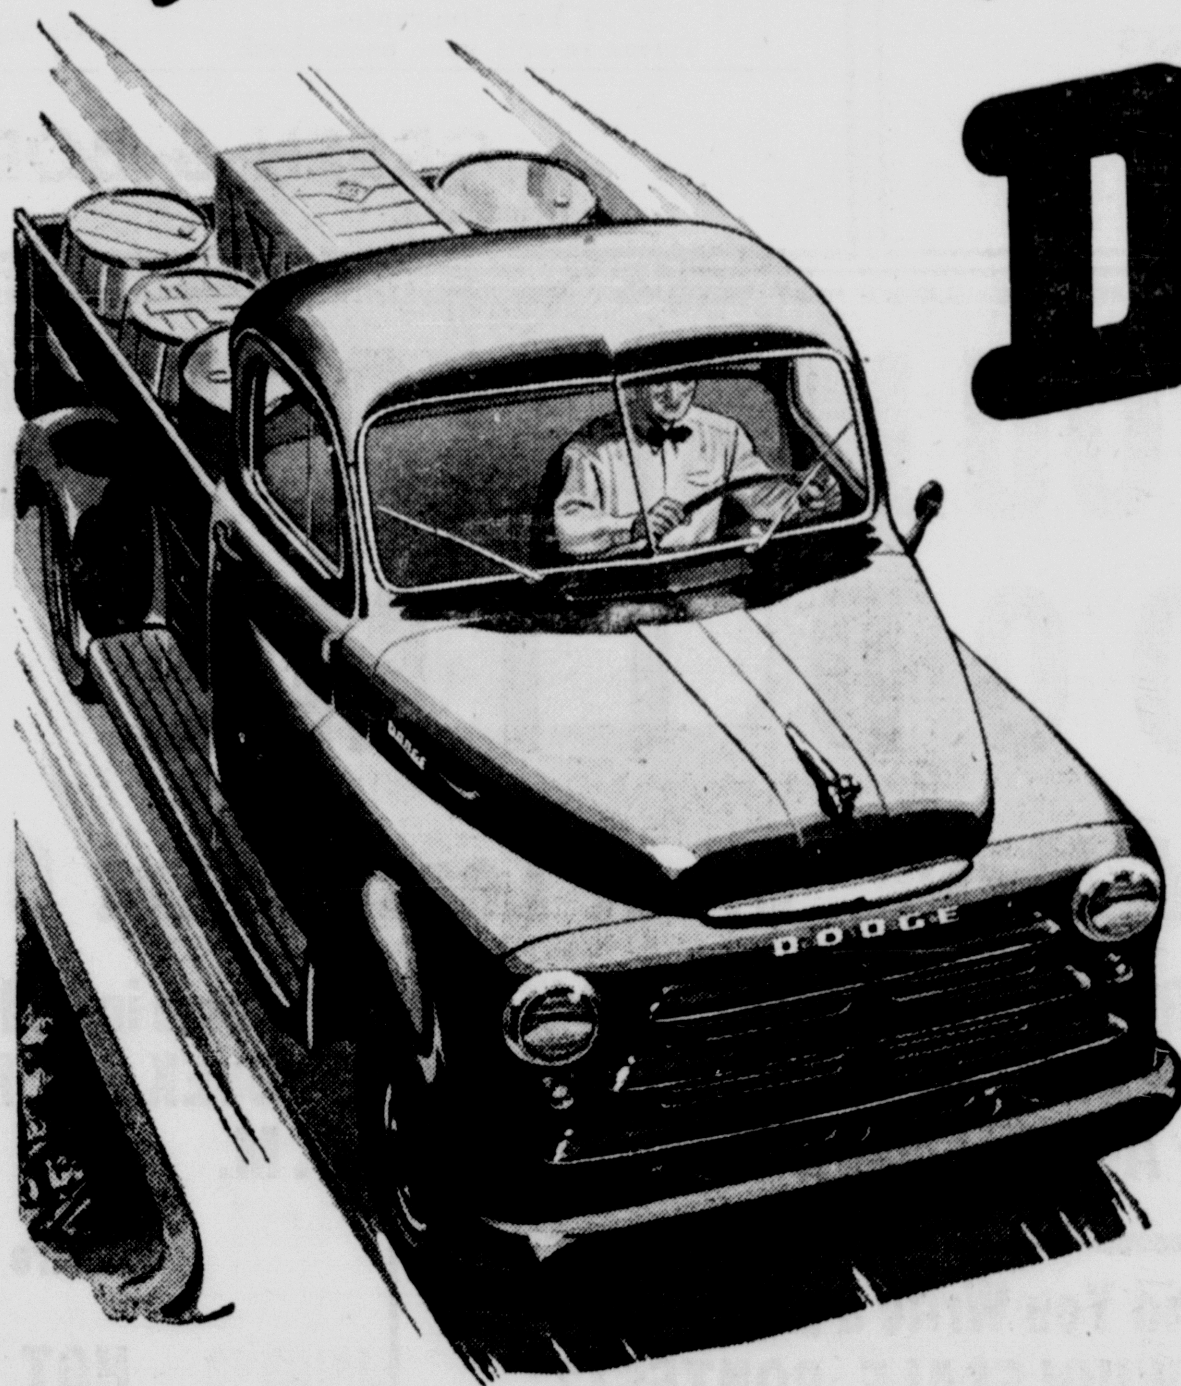

over to the Sheriff's Office and paying his fine.

From where I sit, it's good to know people, like that young fellow, who refuse to be treated any different than anyone else. City people and farmers—those of us who prefer cider and those who'd rather have a cool glass of temperate beer—we're all entitled to the same privileges. That is, so long as what we do doesn't conflict with the law of the land.

Joe Marsh

22 To Report For Physicals Jan. 17

A call for 22 men from Milam County has been issued for January 17 for pre-induction physicals for the armed forces, it was announced by Mrs. Loretta Brock, chief clerk at the Milam County Draft Board.

This is the seventh call for pre-induction physicals for men from this county since the outbreak of war in Korea and is the largest call for men from Milam County under the 1948 Draft Act.

They will leave Cameron by chartered bus and report to the Dallas Recruiting Station. Around 65 per cent of the young men from Milam County have been passing their physicals and the quotas will be increased in 1951.

If a full national emergency is proclaimed, since the situation in Korea is becoming more serious, the government would be given full power over manpower and other things essential for national defense.

A call has been issued for seven men to leave from Milam County for induction into the armed services on December 14.

February draft call for Texas—for 2,559 men—exceeds by 522 the call for January, Brigadier General Paul L. Wakefield, state Selective Service director, announced.

The January call, received in early November, was for 2,037. The December call, now being filled by state Selective Service boards, is for 2,008.

Local board quotas for the February call will not be made up and sent to the local boards until sometime after the first of the year. Calls are usually sent to local boards about a month before deliveries are to be made.

The February call of 2,559 brings the number of men called for from Texas since the beginning of the conflict in Korea to 15,084. First call was filled in September for 2,513.

The 2,559 Texans called for in the February induction period is the state's share of a national quota of 50,000 announced several days ago in Washington by the Department of Defense. National quota for January is 40,000.

Calls are made by the Secretary of Defense on the national director of Selective Service in Washington,

who allots quotas to the states on the basis of federal draft regulations. Under the same regulations, state directors fix quotas to their local boards.

General Wakefield, the Texas state director, described Texas as "prepared to supply men to fill the February quota." He said that Texas "has plenty of men examined and acceptable to fill December, January, and February quotas."

The highest monthly quota received by Texas since Americans entered the fighting in Korea was for November, a total of 3,453. General Wakefield said this quota, as well as all others, have been filled.

The state director revealed that approximately 7,500 draft registrants will be given pre-induction examinations in January in preparation to fill calls for March and later months.

NEAL DODSON BEGINS—

complete the decorating program and also agreed to hang similar decorations in Santa Fe Town as the merchants in that section of the city contributed generously to the Christmas Fund.

The council agreed that the Jaycees deserve a lot of credit for the erection of the decorations and their efforts in making the Yuletide season more effective.

Mr. and Mrs. Steve Garner of Hillsborough spent the past week end visiting Mr. and Mrs. H. E. Garner here.

R. H. Fisher is visiting his children in Waco this week.

Last Rites Held For Otis Nicholson Here

Funeral services for Otis Nicholson were held from the Marek-Burns Funeral Home by Rev. Wendell Carr, pastor of the First Christian Church Saturday December 9 at 2 P. M.

Mr. Nicholson who died from a heart attack Friday morning was born May 21, 1894 in Arcadia, La., and came to Cameron as a young man where he has resided the major portion of his life. He was well known in Cameron and Milam County and had been employed at the Cameron Ice and Cold Storage Company for the past several years. He was a member of the Edwin Hardy Post here.

Surviving are his widow, Mrs. Opal Nicholson; three daughters, Barbara Carol of Cameron, Mrs. Frances Moore of Kilgore, Mrs. Betty Jean Laake of Lubbock, two sons, Mack Nicholson of Cameron and John Wesley of Galveston; six brothers; Sid Nicholson of Thorndale, Bert Nicholson of Cameron, Sercey Nicholson of San Antonio, I. L. Nicholson of Hous-

ton, Doss Nicholson of Louisiana, and Ben Nicholson of Minerva, four sisters, Mrs. C. L. Blackman of Cameron, Mrs. L. C. Blackman of Thorndale, Mrs. Frank Baliek of Kerrville and Mrs. A. W. Whittington of Shreveport, La. Eight grandchildren also survive. Nephews were pallbearers.

Interment was made in the Sandy Creek Cemetery with Marek-Burns directing arrangements.

Cecil Laywell, Highway patrolman of Katy visited friends in Cameron Wednesday and Thursday of this week.

Rites Scheduled For Mr. Randerman

August Randerman, 77, a resident of Milam County for a number of years died at his home at Elm Ridge early Thursday morning.

Mr. Randerman was born in Germany and came to the United States at the age of 15. His family settled in Brenham until 40 years ago and Mr. Randerman came to Milam County.

He is survived by one son, Willie Randerman of Cameron; three daugh-

ters, Mrs. Otto Reimer, Mrs. Phillip Reimer and Miss Henrietta Randerman of Cameron, one sister, Mrs. William Engel of Brenham and seven grandchildren.

He was a member of the Sons of Herman Lodge.

Funeral services were to be held at 2:30 p. m. Friday, December 8 at the Buckholts Lutheran Church with Rev. John Striepe, Minister, officiating. Burial in Buckholts Cemetery with Green's Funeral Home making the arrangements.

Members of the Sons of Herman Lodge will be pallbearers.

Chemosphere

Fuel for Space Ships

SAN ANTONIO, Tex. — Dr. J. Kaplan, professor of physics, says a flight to the moon will not be too expensive if space ships fill their tanks with "chemosphere."

Dr. Kaplan reports there is enormous photochemical activity produced by the sun in the region 26 to 70 miles above the earth's surface.

"This region, low enough to be reached easily, is believed to be rich in the hydroxyl molecule, a recently discovered chemical," he said.

The hydroxyl molecule is over-stuffed with energy, and Dr. Kaplan believes it or some other chemosphere component could be used to keep space ships going. He coined the word chemosphere to describe the 44-mile layer of space that is filled with energy.

All space ships will have to do is take on chemosphere and continue on their way. It solves the filling-station problem.

Family Keeps Good Luck Coin For Over Century

GERMANTOWN, Wis.—The Kenney family has kept one good luck coin for over a century. During that time it has been rattling around in the pockets of Kenney family members.

The coin was minted in 1818. Its early history has been lost but members of the family know that it was carried more than a century ago by John Blake Kenney, Washington, Pa. After his death, his son, Preston F. Kenney, also of Washington, carried it. When he died, it came into the possession of John F. Kenney of Germantown who has carried it for 35 years.

The coin is slightly larger than a present half dollar. Its edge is not milled, but has the words "Fifteen Cents or Half a Dollar" stamped into it. It may be significant, or it may not, but the figure of Liberty on the coin seems a bit plumper than she does on the coins of today.

Mrs. Oro Arnold and girls visited in the home of Mrs. Minnie McFarland Saturday.

Lightning Turns House Into an Electric Toaster

UNITY, N. H.—Lightning entering the home of Russell Schultz through the electric lines, turned the house into an electric toaster.

The first indication that there was something wrong came to Mr. Schultz when he tried to get out of bed. An electric shock threw him back again and again as he placed his feet on the floor.

Finally, he reached the cellar in heavy rubber-soled shoes. He was tossed several feet when he threw a master switch. The lights stayed on. His wife was knocked across the kitchen when she brushed against an oil stove.

"All the wires in the walls were overheated," Mr. Schultz said. "About 2,300 volts of electricity were coming into the house instead of the usual 110."

Electric company officials broke the circuit. Linemen reported lightning was the cause.

Mrs. Leo Harris is a medical patient in the Newton Memorial Hospital. Her friends wish her a speedy recovery.

Heaviest Rocket Zooms Eighty-Five Miles High

WHITE SANDS, N. M.—The biggest, heaviest rocket ever launched from White Sands ordnance proving ground has zoomed 85 miles into the stratosphere at a speed of 3,600 miles an hour.

Its war head was four times as big as the one the Germans began rocket work with. It was called a "flying laboratory" because it carried so many instruments. These were tossed clear during the flight and came back to earth by parachute for checking.

It was the fourth big rocket tested, all of which went 80 miles or higher.

The instruments had been under construction for over two years.

Newsmen Hunting For Ghost Report Something Found

LOCK HAVEN, Pa.—Maybe you believe in ghosts and maybe you don't, but a reporter and a photographer for the Lock Haven Express, who checked on a legend that the headless Frenchman of Kettle creek still roams those parts, won't say yes or no.

Legend has it that the ghost belongs to a French explorer who robbed a secret cave of Indian silver some centuries ago. The Indians, it seemed, avenged their loss by beheading the Frenchman.

Reporter Pete Stevenson and photographer Jim Patterson set out to track down the ghost.

On a chilly, misty night they parked their car near a bridge spanning Kettle creek at Road Hollow. As they sat waiting, the only sound filling the night air was that of the distant pounding of a gas well drill working the night shift.

Suddenly a flickering, wavering form reared up less than 100 feet away. They edged toward the reddish white figure for a better look. A sound like that of a low, almost painful, moan could be heard. The figure glided away, up the bank and onto Road Hollow. It moved quickly in the faint moonlight. They ran to keep it in sight, but the headless Frenchman was gone.

Some say the Frenchman still roams the wilds of Clinton county looking for his head.

Some scientifically inclined folk scoff at the legend. They say the moan is nothing but methane gas seeping from crevices. A forest ranger offered the suggestion that the ghostlike figure is caused by glowing phosphorus clinging to moss and rotten logs in the damp woods.

And then there's the story of the silver. Woodsman Harry Walters showed Stevenson and Patterson a piece of silver the size of a golf ball. He said he found it in the woods. And there's a lot more of the Indian silver around, he said. Disbelievers had an answer for that too. They suggest it's some manner of ore that has become silverized over the years.

Maybe so, and then again, maybe not.

New Device Keeps Food Fresh for Many Years

CHICAGO — A new device that keeps food fresh for years has been demonstrated to the American chemical society.

It is a sterilizing gun that keeps raw or cooked meats and vegetables fresh and appetizing for at least four years.

It fires electrons, negatively charged particles. It does its sterilizing job in a millionth of a second.

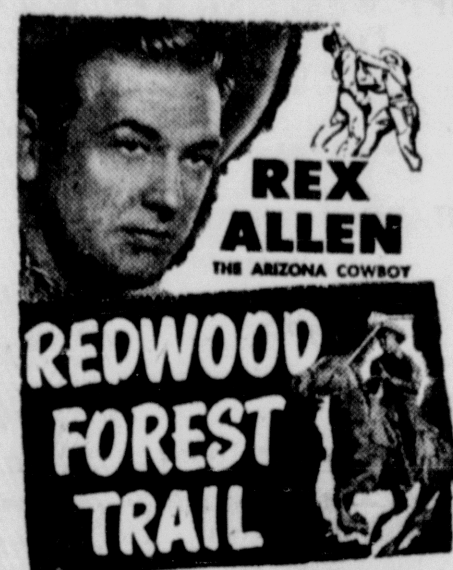

Meat, fish, vegetables, fruits and dairy products are sterilized without changing their enzymes, chemical agent that promotes life processes.

The enzymes once were thought, erroneously, to be the cause of spoiling food. The electrons kill the tiny organisms that cause spoilage.

The foods have stayed fresh and tasty, in sealed containers, for as long as four years so far. The electron bombardment is done with a machine called a capacitron.

Sunday guests in the home of Mr. and Mrs. Marvin Pratt and sons were Mr. and Mrs. H. D. Woods of Milano and A. D. LaGrone.

Mrs. Zella Linders of Temple has returned home after being sick in the Newton Memorial Hospital.

Cameron, Texas

Benjamin Skinner Died Here Monday

Benjamin Wesley Skinner, 82, died at his home in Cameron Monday December 11 at 6 P. M.

Mr. Skinner had been in declining health for several months and his condition became critical a few days prior to his death. He was a native of Fayetteville, Arkansas and came to Texas as a young man with his family and settled near Bartlett in Williamson County. He married Mary Caroline Roach in 1893 and to this union were born ten children, eight of whom still survive.

In 1897, Mr. Skinner was ordained as a Methodist preacher and pastored at a number of churches in Central Texas while actively pursuing farming as his chief occupation. He was active in civic affairs and worked with Abe Mulkey in founding the Methodist Home in Waco, and was a lifetime member of the Masonic Lodge and a member of the Knights of Pythias. The Masonic Order will

be in charge of graveside services. Mr. and Mrs. Skinner moved to Cameron three years ago and had made their home here since that time. He was the father of Mrs. W. C. Hudson of Cameron.

Surviving are his widow Mrs. Caroline Skinner; three sons: Wilburn of Waco, James of Marlin and Buster of Dallas, five daughters; Mrs. W. C. Hudson of Cameron, Mrs. Bertha Blalock of Meridian, Mrs. Ona Anderson of Austin, Mrs. Jo Elkins of Waco and Mrs. Freddie Stanley of Eddy. Ten grandchildren also survive.

Funeral services will be held Wednesday December 13 at 2 P. M. at the First Methodist Church at Chilton with Dr. Mark Magers, minister at the First Methodist Church, Cameron, conducting, assisted by Rev. Verlon Feller of Chilton.

Interment will be in Rose Mound Cemetery in Waco with Green's Funeral Home directing arrangements. The body will remain at the funeral home until the funeral hour.

Local Man Appointed Dist. Deputy Grand Master In Waco

Milton J. Schiller, business manager at the Schiller Motor Company, has been appointed District Deputy Grand Master of the 104th Masonic District by Grand Master, W. J. Burris.

Mr. Schiller was installed Thursday December 7 during the Annual Convention of the Grand Lodge of Texas, A. F. & A. M. in Waco and attended a meeting of all the District Deputies Grand Masters, Friday morning December 8 at 9 A. M. at which time Grand Master Burris outlined the work for the coming year.

Other members of the Local Masonic Lodge who attended were: Gene Blake, Grady Allen, S. E. Brogdon, L. W. Smith and John B. Henderson.

Assistant Coach and Secretary At Yoe High School Resign

E. A. "Gene" Williford, assistant coach at Yoe High School tendered his resignation becoming effective Monday December 11, it was announced by W. T. Hanes, superintendent of the Cameron Public Schools.

Coach Williford has coached the B Team this year and has had a very successful season. His valuable contribution to athletics in the schools is greatly appreciated.

He taught world history and business arithmetic and was coach at the Ada Henderson School last year.

Coach Williford has resigned to become coach at the Warren Consolidated School near Woorville.

Superintendent Hanes also announced that Mrs. Ethel Van Bibber has resigned as secretary at Yoe High School, effective January 1, 1951. She has been secretary at the school for the past three years and will move to Waco after the first of the year.

Decree Nearing On National Emergency

WASHINGTON, Dec. 11—President Truman moved swiftly Monday toward a proclamation of national emergency which would increase his already vast war powers and readied wage-price control machinery for possibly early use.

He prepared for home-front action—expected before the end of this week—at closed-door White House conferences with the National Security Council and a special panel of his top economic advisers.

He also scheduled a bipartisan meeting with Republican and Democratic congressional leaders Wednesday, and let it be known that he is considering an important radio address to the nation within a few days.

Acting White House Press Secretary Stephen T. Early said Mr. Truman will decide after talking to House and Senate leaders whether to proclaim a state of emergency. He added that the move is "in the realm of probabilities."

It would arm the president with some new powers, but officials believe its main value would be as a psychological shock to awaken the nation to the need for greater sacrifices.

Early said the economic officials were called in to discuss "methods and procedures for applying wage and price controls." But he said no decisions were reached Monday.

Vinson's committee prepared an analysis of the powers the President would gain by proclaiming an emergency. They include: Suspension of the 8-hour day in defense plants and governmental agencies; authority to seize radio stations and control their operations; power to "recapture" many defense plants sold or leased as surplus after World War II, lifting manufacturers have their lobbyists in Washington, the farmers too must have an organization to do for farmers what farmers cannot accomplish for themselves.

Milam County farmers are beginning to realize what organization means to the farming class of people and what benefits can be had by joining the Farm Bureau. The Milam County organization has over 1000 members and each year carries out a membership drive. If farmers are to receive their amount of National Income, organization must be stressed in all county organizations.

Friends of Miss Dorothy Fuchs will regret to learn she is ill at her home in Cameron.

IT'S BUILT FOR KEEPS!

IN the difficult years ahead, that new truck of yours will have to put out *more*—and take it longer. So there are many reasons you'll be wise to choose a GMC!

You'll get the constant dividend of GMC's greater pulling power—truck-built horsepower with greater sustained torque than other engines.

And with that power goes the greater stamina of GMC's rugged truck-engineered frame. In practically all models, from ½ ton up, you get such extra value features (at no extra cost!) as Synchro-Mesh transmission, Tocco-hardened

crankshaft, airplane-type bearings, and Lifetime Weathersealed cabs. They all tell you that longer life and lower maintenance are standard equipment with a GMC.

As your GMC dealer we are transportation engineers, specializing in selecting the exact combination of the right engine, axle, transmission and frame for your particular trucking job.

That's why there's a special GMC truck waiting for you. Come in, let us show you why GMC is your best buy for the years ahead!

Get a real truck!

Large Area Jarred As Meteor Explodes In Sky Near Paducah

NASHVILLE, Tenn. — The area from Paducah, Ky., to Nashville, Tenn., was jarred recently by a meteor which flashed through the sky and apparently exploded in the air.

The Illinois Central railroad dispatcher in Paducah said reports from all along his line to Memphis told of a jar of an explosion. He said a railroad signalman at Covington, Tenn., 40 miles north of Memphis, told of seeing a ball of fire in the sky getting larger and larger, then exploding.

At Murray, Ky., William Barnett, a filling station operator, reported a piece of the meteor fell on his farm. Observers said the object was about the size of a man's head.

One report of the sky flash was given in Memphis by American Airlines Capt. H. J. Garman, of Dallas, Tex. Garman had just landed a DC-6 with 41 passengers from Washington.

"We sighted that thing about 1:30 a.m. some 50 miles east of Nashville," Garman said. "I was flying at 18,000 feet and it looked as though it came right across our nose."

"I tell you, I never saw such a brilliant flash of light before. It wasn't clear light. It seemed to be burning with an orange, yellow and blue flame."

"I can't say for sure whether it burned out in the air or hit the ground. I've seen hundreds and hundreds of meteors, but that was the lowest I ever saw one. It lit up the whole sky."

Patrolman Albert K. Yancy at Paducah said witnesses reported the meteor lighted up the Paducah area about 3 a.m. so brightly that "you could almost read a newspaper."

Mr. and Mrs. Grady Goodwin visited in Cameron Friday afternoon.

Dream

Lands Dreamer in Jail

JAEN, Spain — Seventy-two-year-old Juan Moral landed in jail because of a dream.

According to police shortly before the last national lottery drawing, Moral saw the number 28,221 in a dream.

Moral didn't have the 450 pesetas needed for the whole ticket, but that didn't matter. He was so sure it was a winner he started selling fractions of the number before buying the ticket. When he finally got around to that little detail the number had already been sold.

It was bad enough for Moral when 28,221 drew third prize of 3,000,000 pesetas (\$7,500).

But that wasn't all. Before they heard the sad news, three of the people to whom Moral had sold fractions had celebrated.

One, a sidewalk candy vendor, gave away his whole stock in a gleeful spree. Another, a circus owner, threw a party on the house that included everybody but the animals, and a factory owner treated his entire staff to drinks.

Mr. and Mrs. Raleigh Hooks of Houston and his mother, Mrs. Ella Dobbins of Waco were recent guests of Mrs. Jeff T. Kemp and Wm. R. Rogers.

Mr. and Mrs. Philip Reid of Dallas were recent visitors with relatives and friends in Cameron.

The annual dinner will be attended by over 300 Scouts, wives, parents of Scouts and guests.

The first Christmas Seal Sale to fight tuberculosis was conducted in Denmark in 1904 and was inspired by Einar Holboell, a postal clerk.

Daisy, the Cow, Rescues Farmer from Burning Barn

North Hampton, N. H.—Berwin E. Fuller lost 65 head of cattle and two horses in a fire that destroyed his barn. He almost lost his own life—he was saved by Daisy, his favorite cow.

When the fire broke out, Fuller ran into the barn trying to free the animals. He started to lose consciousness in the smoke.

"I felt a nudge in my back as I started to fall," he recalled later. "I threw my arms around it and held on. It knocked down a door and dragged me outside." Sure enough, it was Daisy.

Mrs. Gene Kennedy of Bryan was a guest in the home of Mr. and Mrs. Frank Richards and also visited her mother, Mrs. Tim Mitchell here Monday.

Buried British Paintings Lost as Death Seals Secret

HONG KONG — When the Japanese seized Hong Kong early in World War II, the British buried 25 valuable paintings. Now they can't find them.

Austin Coates, assistant colonial secretary, said three men buried the paintings in the grounds of the governor's residence. Only they knew where.

All three men died. Each believed the other two would tell where the pictures were buried. A search of government files has afforded no clue.

Carroll Green Jr., has returned home after being ill in the Newton Memorial Hospital.

Mr. and Mrs. John R. Hawkins and children of Houston were visitors in the home of Mr. and Mrs. Marvin Pratt Saturday.

Robert Cone, son of Mr. and Mrs. Ira Cone of Cameron had an appendectomy at Newton Memorial Hospital Friday.

4,000-Year-Old Skeleton
Found in Bronze Age Site

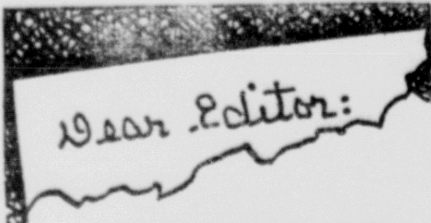

SINGEN, Germany — A human skeleton, that of a woman, believed to be 4,000 years old, has been found near Singen and is proof of human settlement there from the early stone age to shortly before the Roman conquests.

The discovery was made near Lake Constance, together with the excavation of 10 other ancient graves.

According to experts, the excavation sites are the only ones in central Europe through which human history since 4,000 B. C. can be traced with continuity.

The 4,000-year-old bronze age skeleton, was buried in a sitting position, facing east and had a ring, necklace, a large needle and two ankle hoops, all made of bronze, with her in the grave.

The other burial places revealed urns dating back 3,000 years.

The 500,000th Buick for 1950

Ivan L. Wiles (right) Buick general manager and Edward T. Ragsdale (left) general manufacturing manager, guiding the body for the 500,000th Buick built this year onto the chassis at the plant in Flint. Production of the 500,000th car not only fulfilled the goal set a year ago by Wiles, but made Buick the second General Motors Division to join that tight little circle of manufacturers producing a half-million cars annually.

Soldier Loses Papers, Army
Can't Decide on His Rank

KOREA — George Adrian of the First cavalry division is all mixed up. He doesn't know whether he is a lieutenant, a sergeant, or a corporal.

A mortar platoon commander in the Pacific in World War II, he was discharged as a lieutenant. He left the University of South Carolina to re-enlist—as a sergeant.

But he lost his papers. The adjutant general ordered him reduced one rank until the papers were found.

That brought Adrian up to the Korean war—and Korea, where he is with a heavy mortar outfit, as a corporal.

Now Corporal Adrian hears from home that he may become an officer again—just as soon as he is recalled to active service.

Gold Field Worked Since
Bible Days Still Producing

GRANADA, Spain — The world's oldest known source of gold is still producing the precious metal.

Thirty-six prospectors are still panning the Rio Darro in southern Spain. The river's sands have been producing since Nebuchadnezzar reigned in Chaldea and were already old when Tutankhamen ruled in Egypt.

The takings are modest today, a week's work will yield only the equivalent of a day's salary for an office worker. The dust is used by Granada's jewelers.

The gold is referred to in the Bible with praise for its fine quality and is the Tharsis gold of the Greeks. The river's burden of gold was exploited by Iberians, Carthaginians, Romans, Vandals, Visigoths and Moors.

Go To Church Sunday.

Chimpanzee Learns
To Ask for 'Mama';
Gives Bronx Cheer

STATE COLLEGE, Pa. — Dr. Keith J. Hayes of Yerkes laboratories of primate biology, Orange Park, Fla., reports he has a chimpanzee that can speak.

Viki, says Dr. Hayes, can give whispered versions of "mama," "papa" and "cup"—and can exchange a Bronx cheer with you.

The three-year-old chimp "has been raised as a child in our home," Hayes told the scientific world.

But he said the significance of his experiment did not lie in Viki's learning to say a few words "but rather in the great difficulty with which she learned them, and in the particular nature of this difficulty."

He says she has been trained to address a male and female researcher as "mama" or "papa" if she wants something. And she says "cup" when she wants a drink.

About that Bronx cheer—

Hayes says that chimps are old hands at making such sounds, apparently for their own amusement. But, whereas with your run of the zoo chimp the cheer is just a solo job, with Viki it's a two way deal. You give her a cheer and she'll come right back at you.

Why do chimps ordinarily fail to learn to talk "even when exposed to human speech over a period of years?" Hayes' conclusion:

The difficulty is much like that experienced by the human "aphasiac"—a person unable to use articulate speech or comprehend words because of a brain impairment. In the Chimp's case, Hayes figures, it's due to a brain which has not developed "as a typical human brain does."

New Horde of Genghis Khan
Plans Paraguayan Invasion

GENEVA, Switzerland — Descendants of the legendary war lord Genghis Kahn are about to launch another invasion—but this time it will be a peaceful one.

The international refugee organization has announced that 700 Kalmucks, descendants of the war lord, are going to settle in Paraguay.

After three years of waiting in Germany, because countries seeking immigrants passed over them because of their Mongolian origin. Paraguay finally has agreed to settle them on 900 acres of fertile valley soil southeast of Asuncion.

Oppressed by their Soviet masters and then gathered up by Adolph Hitler for slave labor in Germany during the war, the Kalmucks gravitated to each other in the IRO camps. They have defied and frustrated all efforts to separate them or settle them in smaller groups.

Whale

Hitchhikes a Ride

PEBBLE BEACH, Calif.—The near catch of the year was made recently by Mr. and Mrs. Ralph Campbell. A 30-foot whale hitchhiked a ride on their yacht.

The Campbells were sailing their cabin cruiser off Pebble Beach when the whale plopped itself aboard, nearly sinking the craft.

"We were watching a school of fish playing around the boat when a gigantic wave rose just ahead," Mrs. Campbell said. "My husband was at the wheel. I braced myself against the side of the cabin and thought, 'This is the end.'"

Then they felt a "terrible impact."

"It was like a complete blackout," Campbell said.

The Campbells looked out the window and saw the whale twisting on the deck.

WARNING

The public is asked to cooperate in keeping down the shooting of fireworks in the business district of Buckholts. The fireworks interrupt shoppers and are a fire hazard.

We will enforce the law on such violation if they do not take notice.

Your cooperation in this matter will be greatly appreciated.

SOCIETY IN THE NEWS

The Tull Popes Are Hosts To Hoyte Home Demonstration Club

The Hoyte Demonstration Club members and their families enjoyed one of the nicest socials in the history of the club at the home of Mr. and Mrs. Tull Pope recently.

It was a "pot luck" supper that turned out to be a good luck supper. Though the party was planned to be an out door supper, the inclement weather made it necessary to have it inside. On cleverly improvised tables Mrs. Pope laid white linen and a few branches of Pyracantha thick with red berries. From these attractive tables 25 guests were served a delicious and varied supper.

After supper the tables were converted into Canasta Tables and for three hours the guests enjoyed the spirited game and pleasant chatter. The hostess presented the winning partners at each table with a glass of home made jelly which was an appropriate gift for a home demonstration club party.

The club members each brought a wedding gift for Miss Valera McLerran recent bride of Sgt. William of San Antonio.

Miss Kay Mondrick, daughter of Mr. and Mrs. Alvin Mondrick is ill in the Newton Memorial Hospital. She suffered an attack of virus influenza but is reported to be some better.

Margaret McCulloch Honored With Party

Miss Nila Jean Fuller and Miss Johnnie Fay Glass were hostesses to a surprise birthday party Monday evening at the home of Mr. and Mrs. Alton Robbins honoring Miss Margaret McCulloch.

Lighted Santas with other Christmas decorations were placed about the room. As the Honoree entered, lights went out and the group sang, "Happy Birthday".

Approximately 34 guests were present and a series of spirited games were played.

A beautiful birthday cake in green and red with candles was cut and served with green lemonade.

The honoree received many nice gifts.

B & P Women's Club Plan Christmas Party For Dec. 18

The Business & Professional Women's Club met at the club rooms Tuesday night December 5 with Mrs. Loretta Brock presiding at the meeting.

A business session was held and plans were discussed and completed for their annual Christmas party to be held at the rooms on December 18. Seven members present cake, whipped cream and coffee was served after the business session.

Go To Church Sunday.

MR. AND MRS. M. CHAMPION will make their home at 5330 Richard, Dallas, upon their return from a wedding trip to West Texas. The bride, Mrs. M. Champion, is the former Miss Irene Stanislav, daughter of Mr. and Mrs. Frank H. Stanislav of Cameron. Mr. Champion is the son of Mr. and Mrs. Jule W. Champion of Dallas. The couple was married November 25 in the Cathedral of the Sacred Heart at Dallas.

Mesdames Mark Magers And Ed Gunn Co-hostess To Delphian Club

The Delphia Club was entertained Tuesday December 5 at the home of Mrs. Mark C. Magers with Mrs. Ed Gunn as co-hostess.

Mrs. W. A. Robinson presided at the program and introduced Rev. Jim McKeown who gave a talk in "Christianity In The Home."

Mrs. W. C. Freeman, president was in charge of the business session. Guests during the evening were Mrs. John B. Henderson, Mrs. Roland Carr, Mrs. W. E. Gaither, Mrs. Carl Black and Mrs. J. W. Kemp. The dining table was covered with a tuscany lace cloth and held the punch bowl at one end with a bowl of carnations and chrysanthemums in the center. Christmas arrangements were in evidence on the buffet.

The hostesses served fruit cake and custard. Mrs. Henderson presided at the punch service.

The Bill Norths Are Hosts To Church Class

Mr. and Mrs. Bill North entertained the Minnie B. Henderson class of the First Baptist Church at their home Thursday evening, December 7 from 7:30 to 10:00.

The North home was beautifully decorated in keeping with Christmas with two small decorated Christmas trees with brightly burning lights and Miniature Santas. stockings filled with candy and fruit were placed about the room.

Mrs. A. H. Halberdier opened the program with a prayer. An interesting devotional of the birth of the Christ child by Mrs. North and members of group 2 was very interesting followed by a prayer by Mrs. John A. Smith, teacher of the class.

Each member of the class brought a gift for the Baptist Orphans home at Roundrock.

Following a brief business session a number of Christmas games were enjoyed. Each member of the class brought a gift numbered and the corresponding numbers were drawn with each member receiving a gift. A lovely gift was presented to the class president, Mrs. John A. Smith.

The host and hostess served a dainty sandwich plate with hot chocolate and Christmas cookies to the 14 members present.

The next meeting will be January 4, 1951 at the home of Mrs. L. R. Wallace.

42 Leisure Club In Regular Session

Mrs. Bill Balhorn entertained the 42 Leisure Club at her home Tuesday, November 28. All members were present.

Yuletide decorations were placed about the rooms of the Balhorn home.

Following a business session tables were laid for 42. High score was won by Mrs. Pete Bergum; Second high, Mrs. August Gurecky, 84 prize to Mrs. Henry Dakel and Table cuts to Mrs. Ted Kuehl and Mrs. Leo Fuchs.

During the business session names were drawn for the Christmas party which will be at the home of Mrs. Leo Fuchs December 14.

Judith Ann Hawks Celebrates Birthday

Judith Ann Hawks celebrated her fourth birthday Friday, December 1, with a party from 10:00 to 11:30 A. M. at her home on 703 East 37th street.

The following were present, Mary, Betty and Margaret Kestenbaum, Jimmy, Barbara and Robert Woodum and Sherry Lynn Kubes. They enjoyed a number of interesting games directed by the honoree's mother, Mrs. Dick Depew.

Birthday cake with lemonade and Christmas cookies was served to the little guests. The cake was beautifully decorated with pink icing and pink candles.

Evelyn Norene Sager To Be Married Soon

Mrs. Minnie Sager has announced the engagement and approaching marriage of her daughter, Evelyn Norene of Houston to Gene Selph, son of Mr. and Mrs. M. E. Selph of Eagle Lake. The wedding will be at the Vogelsang Evangelical Reform Church after the Christmas holidays.

Miss Sager is a graduate of Yoe High School and Durham's Business College in Houston. Mr. Selph attended SWSTC in San Marcos and served in the Army three years. The couple will make their home in Houston.

The History Club Entertains Other Clubs of City

tertained the Women Clubs of the city at the Fellowship Hall at the First Methodist Church, Tuesday afternoon November 28.

Mrs. L. W. Smith, president of the club presided and introduced Miss Virginia Scarborough, parent educational specialist of the University of Texas who was guest speaker and used as her topic of discussion, "Our Relationship With Others." She pointed out the ways that people should be neighborly and how people can another.

A refreshment course of sandwiches, cookies and tea was served. Mrs. Smith and Mrs. John Henderson poured tea and other members of the History club assisted in hospitalities.

MR. AND MRS. JOE DENSON Request the Honor Of Your Presence at The Marriage of Their Daughter MARJORIE ANN To

MR. HAROLD EUGENE RILEY On Thursday the Twenty First of December, 1950 At Five O'Clock in the Afternoon First Baptist Church Cameron, Texas

The Cameron Herald December 14, 1950

Woodmen Circle Meets With Mrs. Leo Laake Tuesday Afternoon

November meeting of the Woodmen Circle was held in the home of Mrs. Leo Laake Tuesday afternoon, November 14.

Nora Frances Price, a junior member of the circle graduated into the adult Society. Miss Price was presented a corsage and a gold pin. She was escorted by Betty Joe Glaser and Gloria Jackson.

At the close of the meeting Mrs. Laake invited the members and guests into the dining room where she served turkey sandwiches, potato-chips, olives, pickles, cookies, candy, coffee and Dr. Pepper.

Members of McClellan Family Honored With Birthday Dinner

H. B. McClellan, G. B. McClellan and Mrs. J. J. Martin were honored with a birthday dinner at the home of Mr. and Mrs. H. B. McClellan, Sunday December 3.

H. B. McClellan, well known in Cameron is employed with the Welfare Department and Mrs. Martin, sister of the McClellans is a member of the Nurse's staff at the Newton Memorial Hospital. G. B. McClellan is employed with the T & P Railroad Company and at the present is living in Fort Worth.

This happy occasion was enjoyed by members of all the families and they have enjoyed these get-togethers through the years. Their parents were pioneer settlers in Milam County and have long been a prominent family in the history of this county.

Bob Walker of Battetown Baptist Church, Rev. Asa Hunt and Rev. Forrest Hawkins.

MILANO NEWS

By MRS. DAN ROBINSON

Ray Miller who had an operation and has been seriously ill in a Temple Hospital has returned to his home here and is improving.

Mrs. R. L. Mills, Mrs. Mike Taylor were called to Dallas Sunday to attend a funeral of a relative there.

Mr. and Mrs. Willard Pierce and children spent the Thanksgiving holidays with Mrs. Pierce's sister in San Antonio.

Mr. and Mrs. R. E. Ledbetter visited in Natches a few days the past week.

Several from Milano attended the Christmas parade in Rockdale Saturday afternoon.

Garland Westbrook is here at the home of his parents, Mr. and Mrs. E. C. Westbrook, Sr. He has travelled extensively and is now waiting to be called to the U. S. Army.

Mr. and Mrs. Charles Martin are the happy parents of a baby daughter born at St. Edward Hospital November 23. They have returned home and doing nicely.

Mrs. Lee Braun has returned home from Dallas where she spent a week with her son and family before they moved to California to make their home.

Mrs. Bannister of Temple was a visitor in the home of her parents here last week. Mrs. Bannister will be remembered as Miss Anna Jean Basket before her marriage to Mon-

roe Bannister of Temple.

Mrs. R. E. Ledbetter entertained with an all day quilting at the parsonage Wednesday. A number of ladies brought covered dish dinners and a pleasant day was spent.

The Brotherhood fellowship meeting was attended by a nice crowd Sunday night. A program was rendered by the boys and girls of the MYF of the Methodist church.

Rev. and Mrs. Ray Hardison of Belton visited friends in Milano Sunday and attended the Fellowship Meeting at the Methodist church Sunday night.

Mrs. W. F. Hooker and son, Frank of Houston spent the week end at their home here.

Ollie Blackman and Mrs. Dyke who have been very ill are improving.

Mr. and Mrs. W. E. Thomas and Mrs. Lila McCown have moved back to town. They sold their country homes and purchased land from Mrs. Bessie Brennan in the west part of town.

The churches and clubs of Milano are making plans for their Christmas program and tree that will be at the school building soon.

Visitors in the home of Mr. and Mrs. L. B. Dukes Sunday were Mrs. Fred Beckhausen and daughter, Miss Helen, Mr. and Mrs. Jack Beckhausen all of Galveston. Mrs. W. F. Hooker and Frank of Houston, Mrs. Dan Robinson and Mrs. Bell Hames of Milano.

Mr. and Mrs. Ase McGregor had as week end guests, Mr. and Mrs. Lock McNeeley of Bryan and Mr. and Mrs. Fred Brannon of Houston.

Mrs. Bell Hames has returned home

from a three weeks visit in Houston with Mr. and Mrs. Chas. Miller and Mrs. Minnie Stewart. She was accompanied to her home here by Mrs. Stewart who will be her guest for several days.

Milano's basket ball team won first place in Blinn College Invitational Tournament for Class B Schools. Bobby Brashear won the trophy for the most valuable player. Brashear and Tommy Vinten won a trophy for a place on the all tournament team. There were sixteen class B schools competing in the tournament which is an annual affair.

LESTER JOE MCCULLOCH

Lester Joe McCulloch, who entered the Navy in March 1948 is now stationed in Japan.

He received his basic training in San Francisco, California and was sent from there to Siapan and Guam.

Lester Joe was born and reared in Cameron and is the son of Henry Lester McCulloch.

Miss Gail Thompson was in Cameron Monday afternoon and attended the Santa Claus parade.

An adaptation of the Cross of Lorraine, the Double-Barred Cross was adopted in 1902 as the international insignia of the campaign against tuberculosis.

Average American Spends More on Auto Than Rent

CHICAGO, Ill. — The average American bread-winner spends more money on the family car each year than he does on rent.

That may be one reason so many people have trouble balancing the family budget.

But Dean Keefer, head of the safety engineering department of Lumbermens Mutual Casualty company, reports that there are at least two ways to save money on your car operation.

One good way is to watch the speed of your driving. On a thousand mile trip, he says, you can save \$12.22 by averaging 45 miles an hour instead of 55. You can save \$19.36 by driving 35 miles an hour instead of 55. Lower per mile gas consumption is the reason.

Keefer's other money-saving recommendation is to make repairs promptly. He says it can be very expensive in the long run to postpone them. Faulty brakes, bad steering gear, etc. get worse the longer they are neglected, he points out, and by not fixing them promptly you are not only increasing your eventual repair bill, you are also inviting a costly accident.

Mr. and Mrs. Bartow Jackson attended the A & M Texas University football game the past Thursday. They were joined by their sons, Thomas and Bobby. Thomas is a sophomore at Texas University and Bobby is a junior at A & M.

Friends of Mrs. Max Schwinger will be glad to know that she has returned home after being a patient in the Newton Hospital.

Napoleonic Relic Found

By London Carpenter

LONDON, Eng.—A London carpenter, Bert Hill, found a model sailing ship bricked up behind a fireplace in the Soho district, took it home and cleaned it.

Work on the blackened model with a toothbrush and scouring powder showed that every detail down to the smallest block-an-tackle of the rigging had been carved from bone.

An ex-seaman, Hill started to re-gild the vessel and then forgot about it for two years until he saw a similar model priced at \$1,100 in a London art gallery.

Experts told him his find was the model of a 74-gun French man-of-war, carved by a French prisoner captured during the Napoleonic wars, probably from the bones of his beef ration. Its value was estimated at \$280.

CARD OF THANKS

We want to thank our friends and neighbors for the many kindnesses and expressions of sympathy extended us at the loss of our beloved husband and father, Otis Nicholson. We deeply appreciate the beautiful floral offerings, those who helped in our home or assisted us in any way. Your kindness will always live in our memory.

Half Century Of Marriage Reached On Thanksgiving

(Contributed)

Fifty years ago this Thanksgiving Day a young lawler and his plantation belle—the “prettiest girl for miles around”—stood before not one but two preachers.

“I figure it required two preachers to tie the knot on a good lawler,” chuckles the old judge, who is the young lawyer 50 years later.

For tight it is.

District Judge and Mrs. Walter Nelson, 1102 Monroe, don’t mind that half a century has flown by. They have been so busy enjoying each other and a full life they hardly noticed it.

Thanksgiving Day they took a bit more note of it—a golden wedding anniversary celebration with all the family present.

Their story—the young lawyer and the plantation girl— goes back a long way.

He was born at Scottsboro, Ala., the son of a farmer. As a young boy, he came to Texas with his family in 1882.

By 1899 (when boy meets girl) he had become a rising young attorney at Cameron, a graduate of Southwestern University at Georgetown.

She was born a Texan, in Milam County. Her father owned a plantation and a big house. Later, with

school age children, her family moved to Cameron.

So now, one hot summer day in 1899, they meet, Miss Neppie Robinson and Mr. Walter Nelson. He is standing outside the post office. Two girls pass, “I know him,” says one, “I want to meet him,” says the other.

Courtship blossomed immediately because “I knew a good thing when I saw it,” he fondly recalls. There were porch swing dates and buggy rides (luckily for him, she had a fine buggy).

Dr. John R. Nelson, a kinsman and pastor of First Methodist Church at Waco, and Dr. James Kilgore, pastor of their church, performed the ceremony a year later.

It was a gala affair. The new Mrs. Nelson’s sister, married the year before, handled most of the arrangements. The wedding clicked off like clockwork.

But a few days later the sister died in childbirth. The young Nelsons, married only a month, took over her sister’s infant boy, rearing him as their own.

He was present for the golden wedding—Dr. E. Gordon Ferguson of Oklahoma City, a noted medical doctor. Lawyer and Mrs. Nelson lived at Cameron until 1905, when they contracted what he describes as “western fever.” Stamford was a boom town; they moved there.

In 1913, when Wichita Falls was a promising metropolis of 15,000 souls, the Nelsons took up residence here. And here they have been ever since.

He is judge of the 89th District Court, and has been for the last six years. Before that he was a practicing attorney, and before that a referee in bankruptcy proceedings.

Walter Nelson Jr., a Wichita Falls attorney who is following in his father’s footsteps, and Mrs. W. B. Head Jr., of Houston, a daughter, joined the celebration at 1102 Monroe, Wichita Falls.

That knot tied a half century ago has never been so tight as on this Thanksgiving Day.

Special Appeal For Polio Funds To Be Made Soon

AUSTIN, Dec. 11—An appeal for special funds in advance of the 1951 March of Dimes campaign because of a “devastating late-season epidemic” of polio was made today by Basil O’Connor, President of the National Foundation for Infantile Paralysis.

O’Connor told a meeting of state officials and civic leaders that the National foundation had a deficit of \$5,000,000 caused by increased cases and mounting costs of patient care.

The 1951 March of Dimes campaign Jan. 15-51 will aim at a goal of \$2,500,000, he said. The National President pointed out that part of the foundation’s deficit was caused by Texas’ record total of almost 2,800 cases this year, representing one-tenth of the nation’s total.

Club News From The Home Agent

The Extension Home Demonstration and 4-H clubs are enjoying a round of Christmas parties for the next two weeks. The Christmas spirit is filling the air. Those clubs having parties last week and this week are Walker’s Creek, Burlington, Conoley, Bethlehem, and Duncan H. D. Clubs; and the Burlington and Thornedale 4-H Clubs. The H. D. Council held a county-wide Christmas party on Wednesday afternoon, Dec. 13, at Minerva Community Building with representatives from all the H. D. Clubs present.

The Home Agent spoke to the Cameron Civic Garden Club on Thursday, December 14, on “Blooming House Plants.”

Are you ready to put up your Christmas tree and other decorations? Did you fireproof those materials? Try this method and be cheerful all through the holiday season: “Into a large pail, put 1 lb of ammonium sulfamate or calcium chloride for every 4 lbs. the tree or greens weigh. Thoroughly dissolve the chemical in water— 1 lb of either chemical to 1 qt of water. place the pail in a cool place—50 to 65 degrees F. Cut the base of the tree or boughs on a slant and place in the solution. Allow to remain until most all, if not all, is absorbed. If after two days, it seems that the tree is not taking up the solution, add a bit more water, as the solution may be too concentrated.

“The tree can be kept fragrant and green throughout the entire holiday season, if when you are ready to place the tree in the room, you will set its base in a pail of water or damp sand and replenish the water when needed.”

How do you buy your poultry “dressed” or “ready-to-cook”? Where you buy “dressed” poultry, you pay for removable waste—head, feet and inedible organs. Thus, when you buy “ready to cook poultry, you can afford to pay more than for “dressed poultry. This is because the “ready to cook” birds are clean inside and out and have been priced after head, feet and removable waste are discarded.

Try roasting your turkey or other poultry in aluminum foil this Christmas. Here’s how: “Clean, stuff, and truss turkey. Rub with seasoning, salt and fat. Wrap in heavy duty foil. Fold over the turkey and join edges firmly. Place wrapped turkey on rack in pan with the breast side up in 370 to 400 degree F. oven. A 10 to 14 pound turkey will require 3 to 4 hours; 15 to 18, 4 to 4½ hours; 19 to 24 pounds, 4½ to 5 hours. The turkey will be steamed while wrapped in the foil. During the last 45 minutes of cooking time, open and slip foil from around the turkey letting the juice run into a pan. Brush well with melted fat twice during this 45 minutes browning period. Make gravy in the usual way.

Suggested holiday menu: turkey roasted in foil, dressing, broccoli; cranberry sauce, fruit salad, hot rolls, butter; pumpkin pie and coffee.

Timely Tips

1. If you do not have a roaster large enough for the turkey, it may be roasted in the foil without a pan. Heavy foil must be used. Drain the juice off carefully when unwrapping to brown, so it does not spill in oven.

2. Turkey will plentiful this year for Christmas.

3. If your family is small, bake a half turkey for Christmas and freeze the other half.

4. When roasting turkey not wrapped in aluminum foil, place breast down on a rack in an open pan, cover with open textured fat moistened cloth. Bake at 300 to 325 degrees F. After 1 hour turn the breast up to complete roasting. Cover well with the greased cloth.

When the cold winds blow, don’t forget the little friends, the birds. They’ll appreciate the tid-bits that you provide for them.

Set the Christmas tree in water. This will keep the tree green, will make it fire-resistant and will hold the needles or leaves on the tree.

The Cameron Herald
December 14, 1950

Mrs. Gladys Leeman and mother, Mrs. H. E. McKee of Fort Worth were week end guests of the Ris-chars. They also visited other friends in Cameron. Mrs. Blanche Bennett of Mexico accompanied Mrs. Leeman and Mrs. McKee to Cameron.

John David Moseley, freshman student at SWTTC, is recovering from an emergency operation for appendicitis Saturday night at the St. Edward Hospital. His mother Mrs. Earl Moseley is ill with influenza.

Mr. and Mrs. Milton Lehmborg and sons, James and Richard of Houston were week end guests of Mr. and Mrs. B. F. Bailey.

Grier Burret was a Cameron visitor Saturday morning.

Johns obson of Marlow visited in the city Friday afternoon.

JONES PRAIRIE NEWS

By MRS. S. S. HICKMAN

A Christmas program and community Christmas tree will be held Saturday evening, December 23. The program will begin at 7:30 p. m. at the Little River Baptist church. The Public is cordially invited to attend.

Mrs. E. B. Yager and son, H. M. visited Mr. and Mrs. Thomas Yager in Houston the latter part of last week. Mr. and Mrs. Yager recently completed their new home there.

Mesdames Elwood and Harvey Chamberlain of Walkers Creek, Mrs. Bill Kennon and daughter, Mary Ann of Belmena attended Sunday morning church services here.

Mr. and Mrs. Guy Purswell of Houston, Mr. and Mrs. Paul DeVille and son, David were recent week end guests of Mr. and Mrs. Jack Pond.

Mesdames J. A. McKinney, Bailey Jones, J. A. Jamison and Miss Ethel McKinney attended the Christmas program, A Capella choir of Southwestern University Sunday evening.

Mrs. Perry Blaisenz of Calvert and Rev. Stanley Ray were Sunday dinner guests of Mr. and Mrs. C. C. Storey.

Mr. and Mrs. C. W. Adams of Houston visited Mr. and Mrs. J. H. Burnett recently.

Mrs. Ben Massengale spent last

week in Rosenberg where she visited her mother, Mrs. W. T. Johnson, who is a surgery patient in the hospital there. Her many friends here wish her a speedy recovery.

Mr. and Mrs. Durwood Hickman and children, Gilbert, Joe and Ann of Groesbeck spent Sunday with his parents, Mr. and Mrs. S. S. Hickman. Other guests in the Hickman home for the afternoon were Mr. and Mrs. Joe Hickman of Cameron and Mr. and Mrs. Marvin Hickman.

Mr. and Mrs. C. H. Massey and daughter, Corrine joined by Mrs. Massey's parents, Mr. and Mrs. J. T. Swanzy of Ben Arnold attended the golden wedding anniversary of Mr. and Mrs. J. L. Modesette of Sharp Sunday afternoon.

Bailey Jones made a business trip to Dallas Tuesday of last week.

Roy Burnett of Freeport spent last week end with his parents, Mr. and Mrs. A. L. Burnett.

Dr. W. J. Fontaine was a business visitor in Cameron Saturday.

Drunk Driving

Lonnie Jachac of Pettibone paid a \$100 fine in County Court Monday for first offense drunk driving.

While driving an International pickup Jachac crashed into a Chevrolet car driven by a colored man from Sharp. The accident occurred near Buckholts. No injuries were reported, but the Chevrolet was badly damaged.

HORTICULTURE

Plants Feed On Dry Milk

PULLMAN, Wash.—Believe it or not, scientists recommend giving flowers and vegetables milk to improve their growth and beauty.

Montana State College scientists have found milk is as good for some flowers and vegetables as it is for babies. Although the use of it in horticulture is new, many growers in the Pacific Northwest already are reaping benefits.

Commercial flower producers say milk makes petunias grow faster, last longer and bear larger and more brilliant blooms. It improves the color of roses, cinerarias and Chrysanthemums. Long, strong stems are commercially important for such flowers as roses and 'mums. The milk helps.

There are exceptions, however. For instance, research shows that milk shouldn't be given to poinsettias. And apparently it has no beneficial effect on carnations.

Vegetables Flourish

Milk-fed vegetables also do much better than those grown under ordinary conditions. One producer reported his yield of Bermuda onions jumped 35 per cent. A sugar beet grower counted results at the rate of 1,000 more pounds of sugar an acre. A little milk did a world of good for tomatoes. Roots and stems were stronger, fruit set was better and the quality of the tomato much improved.

The experiment was conducted by V. E. Iverson, member of the Montana State College horticultural staff. It has been put in practical use in a number of green houses.

Milk is used in the early stages of plant growth. It is applied mainly to seedlings in the greenhouses before the plants are put in the field. The milk, fed either dry or fluid form, helps the seedlings get off to a good start. It appears to protect the young plants from at least two diseases—stunt virus and damping off, which is rot condition caused by parasitic fungi. One greenhouse man reported he cut damping off by 50 per cent.

Inexpensive Plant Food

Herman J. Feiden of Great Falls, Mont., a greenhouse operator, is sold on the use of milk. He mixes dried milk with bench soil. Other growers have diluted milk and sprayed it into the soil.

Feiden buys dried milk in 250-pound barrels. The cost is eight to 10 cents a pound, wholesale. The Great Falls greenhouse man says it doesn't add much to the expense of production, because it takes only half an ounce of dried milk per flat bed in growing flower seedlings.

Since milk for horticulture purposes is new, it hasn't caused any great reaction in the dairy industry so far, but dairymen might look into the chance to promote a new market.

U.S. Investing More In Pupils, Poll Shows

WASHINGTON — The average cost of sending a pupil to public school increased from \$83 in 1940 to \$206 in 1949, or 134 per cent, the U.S. chamber of commerce reported recently.

However, adjusting the 1940 expense to the 1949 cost of living discloses a "real increase in investment per pupil of approximately 37 per cent," the survey said.

But the national income shot up faster than school expenditures. The study, compiled by the chamber's education committee, said the percentage of total income devoted to education dropped from 2.55 per cent in 1940 to 2.27 in 1949.

The two highest states in terms of percentage of income spent on education last year were South Dakota with 3.65 per cent, and New Mexico with 3.6.

The lowest were Missouri with 1.76 per cent, and Massachusetts with 1.64.

The highest states in average pupil expenditure last year were New York, \$312; Montana, \$302; New Jersey, \$298, and Connecticut, \$297.

The lowest were Kentucky, \$109; Alabama, \$105; Arkansas, \$102, and Mississippi, \$73.

Director Hates Bananas Except With His Gorilla

CLEVELAND, O.—Fletcher Reynolds, director of the Cleveland zoo, wishes he had never heard of bananas, or roast beef, or plums and pears. And all because of a little girl gorilla.

The baby ape, Yokadouma, was brought from Africa earlier this year weighing a healthy 50 pounds. But after a while she stopped eating.

In desperation, Mr. Reynolds climbed into her cage with two bananas. One he ate; the other he offered Yokadouma. Watching him she ate also. But she would only take a bite when he did.

For two weeks Mr. Reynolds set an example for her by eating more bananas, roast beef, plums and pears.

He gained 10 pounds. Yokadouma gained too, but she was still underweight and the eating contest continued.

Farm Bureau To Meet In Special Session Thursday

A special meeting has been called for Milam County Farm Bureau Members for Thursday, December 14, 730 P. M. at the District Court Room.

Important business matters are to come up, namely; reports from the convention delegates, report from the budget Committee Chairman and plans for the 1951 program of Work.

A number of members are attending the Annual National Convention in Dallas this week. This is an important meeting and members are urged to be present. Farmers who are interested in a better program for 1951 should be on hand to discuss the different matters that might arise over current agriculture problems.

Eddie Huntsman, son of Mr. and Mrs. E. A. Huntsman Jr., of Route 3 had an appendectomy at Newton Memorial Hospital Friday.

was sent to Fort Sam Houston, Texas. They will receive basic training and assignment.

Jane Tyson of Austin visited in the home of her parents, Judge and Mrs. Dan Tyson the past week end.

Mrs. V. A. Kubecka and Mrs. E. L. Kahler spent the past week end in Austin visiting relatives.

Mrs. Gus Evans Sr., was a guest in the homes of her sisters, Mrs. John Stafford.

Milano and Buckholts Split Doubleheader Wednesday Night

The girl's basketball team of Milano has started out with a good season in basketball this year. They have played four games, losing one to Thorndale.

Wednesday night, December 6 both A and B teams of Buckholts played Milano. Milano scored 25 points and Buckholts 13 in the first game in the second game Buckholts 19 and Milano 10.

Kaye Gilliland was high scorer and Bennie Pinkerton was second. Other players are Bobbie Ann Haddox, Faye Gilliland, Meribeth Fisher, Dot Cotten, Dot White, Joann Kirk, Barbara Eland, Juanita Beavers, Dolores

Blackmon, Lilly Joe Hux, Dorothy Posival, Norma Burgess, Betty Morgan, Billie Vaughan Bailey and Norma Jean Key, Geneva Hurt and Margaret Gaston.

Coach J. E. White is getting the team in shape for the District games which will be played later.

THIS CHRISTMAS - GIVE THE PRESENT WITH A FUTURE!

OF COURSE, your children

will receive all of the exciting toys and gifts and games that make Christmas so wonderful when we're young. But, this Christmas, why not give them another present, besides a present with a future, U. S. Savings Bonds!

Each bond represents money set aside for your child's future, money that will some day help make some dream come true. Money that will keep on growing and earning for him—that will give him an important sense of thrift and financial security which will be invaluable to him in later life!

You'll find bond buying is the easiest gift shopping in the world. Because you can make your purchase conveniently at any bank, post office, or at the place where you work. And there's a price to please every purse—from \$18.75 to \$375!

So make this Christmas mean more to you and your children than ever before. Give them the gift that means a stake in their future—U. S. Savings Bonds!

Look how your bond gift grows!

(For simplicity, this table shows bond value increases only at two-year intervals. Actually—the cash value of a U. S. Savings Bond increases every year after the first year.)

YOU PAY	BOND IS WORTH				
	3 Yrs.	5 Yrs.	7 Yrs.	9 Yrs.	10 Yrs.
\$ 18.75	\$ 19.25	\$ 20.25	\$ 21.50	\$ 23.50	\$ 25.00
37.50	38.50	40.50	43.00	47.00	50.00
75.00	77.00	81.00	86.00	94.00	100.00
150.00	154.00	162.00	172.00	188.00	200.00
375.00	385.00	405.00	430.00	470.00	500.00

FOR YOUR SECURITY, AND YOUR COUNTRY'S TOO,
SAVE NOW—THROUGH REGULAR PURCHASE
OF U. S. SAVINGS BONDS

The U. S. Government does not pay for this advertising.
